COMPLAINT

CRIMES AGAINST HUMANITY

**PERPETRATOR #1 KHAIRDULA KHARKHWA, SUNNI AFGHANI
MUSLIM RESPONSIBLE FOR DEATHS OF THOUSANDS OF CITIZENS**

**PERPETRATOR #2, BARRY SOEBARKAH, AKA BARRY SOETORO,
AKA BARRY (BARRACK) OBAMA, STILL CITIZEN OF INDONESIA,
SUNNI MUSLIM ACCORDING TO HIS SCHOOL RECORDS, WHO
UNLAWFULLY RELEASED KHAIRDULLA KHARKHWA FROM THE
US CUSTODY AND SENT HIM TO THE MIDDLE EAST, WHICH
PRECIPITATED NEW SUNNI MUSLIM OFFENSIVE**

STATEMENT OF FACTS

Khairulla Khairkhwa was a high ranking Sunni Muslim-Taliban commander, who was responsible for the murder of thousands of innocent victims. See, attached, an order from the US Court of Appeals for the District of Columbia 11-5180, Judges

Rogers, Garland and Randolph , denying release of Perpetrator #1 Khairulla Khairkhwa.

Khairulla was in charge of Taliban fighters that murdered thousands of civilians. Murder of thousands of civilians qualifies as a Crime against Humanity.

After his capture, Khairkhwa was a prisoner in US custody at Guantanamo Bay Military prison. U.S. laws and specifically the latest version of NDAA (National Defense Authorization Act) forbids U.S. President from releasing war criminals or their exchange without a 30 day notification of the U.S. Congress, so the US Congress can block such release.

Barack Obama did not give U.S. Congress any notice of impending release of Khairulla Khairkhwa. Attached Exhibit A: Emergency Motion, Notice of Treason 13-1878, US District Court District of Maryland, Exhibit 2, Notice of Transfer.

Further, four days **after** Obama released the war criminal, Khairulla Khairkhwa, he misled the US Federal Court system by providing a retroactive notice to the Federal Judge in charge of the case, Royce Lamberth.

Not only Obama made the notification retroactively, he titled it “Transfer” and not release, so the court employees, employees of the Department of Defense, presiding Judge and members of the public, following the cases, would not know immediately what is going on.

Additionally, the name of the prisoner on the “Notice of Transfer” was spelled differently from the name on the caption. On the caption of the federal case, the name is spelled Khairulla Khairkhwa, while in the “Notice of Transfer” the name was changed. The first name was divided into two names: Khair and Ulla and two other names were inserted in the middle, so the release of this war criminal was obfuscated and kept under wraps until this war criminal safely arrived in Qatar. Sunni Muslim terrorists pronounced his release to be as important as a release of 10,000 fighters.

In effectuating this release, Barack Obama was committing treason against the United States as he, while under an oath to defend and protect the U.S. Constitution, clearly violated the U.S. Constitution providing aid and comfort to the enemy. After the release of Khairulla Khairkhwa, emboldened Sunni Muslim

terrorists started an offensive and raped, mutilated and beheaded thousands of innocent individuals in Iraq, Afghanistan, Pakistan, Sudan, Kenya and elsewhere.

At issue is not only Obama's release of Khairulla Khairkhwa and four fellow war criminals, but also his usurpation of the U.S. Presidency while using fabricated IDs and a stolen Connecticut Social Security number.

Exhibit B shows 150 pages of sworn affidavits of the U.S. Law enforcement officials and experts as well as official records showing that Barack Obama is a citizen of Indonesia, whose legal name is listed in his school records as Barry Soetoro (last name of his stepfather, Lolo Soetoro) and in his mother's passport he was listed under the last name Soebarkah. Aforementioned documents also show Obama using a stolen Connecticut Social Security number and all fabricated IDs. This issue has not been heard on the merits in US courts yet, as the US judiciary is simply afraid to tackle this issue on the merits.

Based on revelations of the NSA whistleblower Edward Snowden as well as FBI whistleblower Cybil Edmonds, all of the personal information of the judges, such as e-mails, phone call, tax returns and financial records of the judges are in the hands of the ruling regime, which can be used at any time to pressure judges to keep the usurpation of the U.S. Presidency covered up. This makes it of paramount importance for the prosecutors of the International Criminal court to launch the investigation of the usurpation of the U.S. Presidency by the citizen of Indonesia, Barry Soebarkah-Soetoro –Obama, as well as investigating his aiding and abetting of fellow Sunni Muslim, Khairulla Khairkhwa, who is guilty of slaughter of thousands of innocent victims, and of crimes against Humanity.

Plaintiff, Dr. Orly Taitz, ESQ is a member of the panel of the International Criminal Court and will provide more information and court records upon request from the ICC.

Respectfully,

/s/ Dr. Orly Taitz, ESQ

Thank you. Kam Sanida.

Motion for reconsideration under Rule 60 b(1), 60 b(3) 60 b(5) and 59 (a-e)

RULE 60. RELIEF FROM A JUDGMENT OR ORDER

(a) Corrections Based on Clerical Mistakes; Oversights and Omissions. The court may correct a clerical mistake or a mistake arising from oversight or omission whenever one is found in a judgment, order, or other part of the record. The court may do so on motion or on its own, with or without notice. But after an appeal has

been docketed in the appellate court and while it is pending, such a mistake may be corrected only with the appellate court's leave.

(b) Grounds for Relief from a Final Judgment, Order, or Proceeding. On motion and just terms, the court may relieve a party or its legal representative from a final judgment, order, or proceeding for the following reasons:

(1) mistake, inadvertence, surprise, or excusable neglect;

(2) newly discovered evidence that, with reasonable diligence, could not have been discovered in time to move for a new trial under Rule 59(b);

(3) fraud (whether previously called intrinsic or extrinsic), misrepresentation, or misconduct by an opposing party;

(4) the judgment is void;

(5) the judgment has been satisfied, released, or discharged; it is based on an earlier judgment that has been reversed or vacated; or applying it prospectively is no longer equitable; or

(6) any other reason that justifies relief.

Rule 59. New Trial; Altering or Amending a Judgment

(a) In General.

(1) *Grounds for New Trial.* The court may, on motion, grant a new trial on all or some of the issues—and to any party—as follows:

(A) after a jury trial, for any reason for which a new trial has heretofore been granted in an action at law in federal court; or

(B) after a nonjury trial, for any reason for which a rehearing has heretofore been granted in a suit in equity in federal court.

(2) *Further Action After a Nonjury Trial.* After a nonjury trial, the court may, on motion for a new trial, open the judgment if one has been entered, take additional testimony, amend findings of fact and conclusions of law or make new ones, and direct the entry of a new judgment.

(b) Time to File a Motion for a New Trial. A motion for a new trial must be filed no later than 28 days after the entry of judgment.

(c) Time to Serve Affidavits. When a motion for a new trial is based on affidavits, they must be filed with the motion. The opposing party has 14 days after being served to file opposing affidavits. The court may permit reply affidavits.

(d) New Trial on the Court's Initiative or for Reasons Not in the Motion. No later than 28 days after the entry of judgment, the court, on its own, may order a new trial for any reason that would justify granting one on a party's motion. After giving the parties notice and an opportunity to be heard, the court may grant a timely motion for a new trial for a reason not stated in the motion. In either event, the court must specify the reasons in its order.

(e) Motion to Alter or Amend a Judgment. A motion to alter or amend a judgment must be filed no later than 28 days after the entry of the judgment.

STATEMENT OF FACTS

On 05.13.2014 this court denied the Defendant's Motion to Dismiss, but granted Defendant's Motion for Summary Judgment. This court denied Plaintiff's motion for Summary Judgment, Plaintiff's request for Vaughn index and Plaintiff's motion requesting this court under 18 USC §3332 to forward to the Federal Grand Jury for the District of Maryland evidence of offenses against the criminal laws of the US, which was submitted to this court, namely offenses that were committed by Senior FOIA Officer Dawn Wiggins, Defendant, acting SSA Commissioner Carolyn Colvin and citizen of Indonesia Barry Soetoro, aka Barry Soebarkah, aka Barack Hussein Obama, currently occupying the position of the President of the United States. The gist of the case revolves around the refusal by the Social Security Administration to produce the SS-5, Social Security application for SSN xxx-xx-4425, Social Security application, for Harrison (Harry) Bounel, which the SSA found on November 16, 2012 and refused to produce claiming privacy concerns. In 2013, when Plaintiff demanded the aforementioned SS-5, advising the SSA that the subject was born over 120 years ago and SSA is obligated to release the SS-5 under the 120 year rule, the SSA claimed that they cannot find the record. Importance of this case is in the fact that the Social Security number of this

individual born in 1890 and presumed to be deceased, was fraudulently assumed in 1980s by the citizen of Indonesia Barry Soetoro, aka Barry Soebarkah, aka Barack Hussein Obama, who is also using multiple other bogus IDs and who is currently occupying the position of the US President, which consequently represent the most serious threat to the US National security since the beginning of this nation.

The Motion for Summary Judgment was granted to the defendant, Acting Commissioner of the Social Security Carolyn Colvin after conflicting responses were provided by the same FOIA officer Dawn Wiggins. On November 16, 2012 Wiggins refused to release the SS-5, Social Security application of Harry (Harrison) Bounel, claiming consideration of privacy. In 2013 Plaintiff, Dr. Orly Taitz, submitted a FOIA request seeking SS-5 for the same Harry (Harrison) Bounel, advising the SSA that Bounel was born in 1890 and according to 120 year rule, his SS-5 is considered a record of an extremely aged individual and as such SSA is obligated to release the record and cannot claim an excuse of privacy. SSA did not respond and Taitz filed a legal action with this court. After the law suit was filed SSA responded by claiming that they cannot find records for Harry Bounel and sought a Summary Judgment in their favor due to alleged lack of records. Plaintiff Taitz responded by submitting this court a copy of the letter from the same FOIA officer Wiggins, where Wiggins previously refused to grant records due to privacy concerns. Taitz argued that if SSA did not have any records, they

would have responded that there are no records at all to begin with, they would not have claimed privacy as an excuse in November 16, 2012 response. The court granted Defendant's motion for summary judgment.

ARGUMENT

The court erred in granting the Motion for Summary Judgment

Rule 56

a) Motion for Summary Judgment or Partial Summary Judgment. A party may move for summary judgment, identifying each claim or defense — or the part of each claim or defense — on which summary judgment is sought. The court shall grant summary judgment if the movant shows that there is no genuine dispute as to any material fact and the movant is entitled to judgment as a matter of law. The court should state on the record the reasons for granting or denying the motion.

The court erred in deciding that there is no genuine dispute to any material fact.

1. There is a genuine dispute on whether the SS-5 for Harry Bounel exists and the defendant's own letter from November 16, 2012 shows that it exists.
2. The court erred in accepting the defendant's allegation that there is a policy where the SSA would state that the records cannot be released due to privacy when the records do not exist at all. No evidence such policy exists, this made up policy contradicts real official policies, contradicts the facts, alleged policy was manufactured in order to cover up fraud.

3. The court erred in accepting as true fraudulent statements regarding the release of documents.
4. The court erred deciding that there are no records for Vaughn index
5. The court erred in deciding that it has no jurisdiction to forward the evidence to Federal Grand Jury under 18 USC §3332
6. The court erred in deciding to accept as true the allegations by the defense without taking into consideration the mountain of evidence provided by plaintiff.
7. The court erred in giving credence to the third amended declaration of Dawn Wiggins which conflicts with her prior declarations and letters.

The court erred in not considering September 19, 2013 FOIA request which went unanswered.

This court made an error of fact and law and the decision needs to be overturned for the following reasons:

RULING ON MOTION FOR SUMMARY JUDGMENT SHOULD BE REVERSED AS IT WAS BASED ON FLAGRANTLY FRAUDULENT STATEMENTS BY THE DEFENSE Rule 60 b(3)

1. Fraud -count 1 the court erred in relying on a flagrantly fraudulent statement by the defense:

Defense writes: "... SSA may only disclose information if SSA records indicate the individual is deceased or the requester provides proof of death or consent" Motion EX C ¶9" ECF 32 p11.

"SSA may only release personal information with written consent of the social security number holder or if FOIA requires disclosure. *See* Wiggins Declaration ¶ 9; *see also* 5 U.S.C. § 552a(b); 20 C.F.R. §§ 401.100, 402.15, 402.45. As mentioned in Plaintiff's Complaint, SSA also will release personal information if the social security number holder is deceased and SSA has acceptable proof of death.⁴ *See* 20 C.F.R. § 401.190" ECF 7

This is a flagrantly fraudulent statement, as per 120 year rule SSA has to release records of individuals, who are 120 or older, even if they are not deceased and there is no proof of death or consent. Subject of the current search, Harry Bounel, was born in 1890 and SSA had no right to refuse release due to privacy, which SSA wrongfully claimed on November 16, 2012. Further, evidence of fraud is a rebuttal to the presumption of truthfulness and good faith, which is usually awarded to the agency.

"Further, the census provided by Plaintiff is practically illegible and does not provide affirmative proof of death. Consequently, even if SSA had located records

for Mr. Bounel, SSA would not disclose information about Mr. Bounel to Plaintiff unless SSA's records reflect he is deceased". ECF 12 p8

This statement by the defense contradicts the very finding by this court which states :

"Social Security Administration, Freedom of Information Act website, *available at* [http:// http://socialsecurity.gov/foia/request.html#a0=0](http://socialsecurity.gov/foia/request.html#a0=0). Proof of death is not required in one circumstance, however. Under the 120-year rule, SSA presumes dead anyone born more than 120 years prior to the date of the FOIA request. Thus, SSA *will* release information about the subject of a FOIA request, without proof of death, if the individual was born more than 120 years ago. *Id.*" *ECF 36 Order by Hon Ellen Hollander*

So, Defendant admitted in her own pleadings that she used a fraudulent policy and denied records based on this fraudulent policy, claiming that records will not be provided without the proof of death, even though the 120 year rule obligates her to release records of individuals born 120 year ago or earlier even without the proof of death.

Defendant, Acting Commissioner of SSA Carolyn Colvin admitted that she acted in a manner which is opposite to the rule cited by Judge Hollander, she states that she will not release the document without the proof of death, while Judge Hollander specifically states that the documents of individuals born 120 years prior

to the submission of FOIA request have to be released under the 120 year rule even without the proof of death.

Due to fraud in assertion of policy by the defense, ruling on MSJ should be reversed

2. Fraud -count 2

This court explains in its order, why did SSA write on November 16, 2012 that it would not release records of Bounel due to privacy if allegedly SSA does not have records at all. Hon. Ellen Hollander writes: "In other words SSA has a policy regarding FOIA requests for SS-5s when the requester provides only a name and SSN: Regardless of whether SSA is withholding records under a FOIA exemption or is simply unable to locate any matching records, SSA will send the same letter to the requester, notifying him or her the requested information would constitute an invasion of personal privacy". 05.16.2014 Memorandum order on a Motion for Summary Judgment. ECF 36

This assertion by the defense represents flagrant fraud, defense never provided any proof, any citation from the specific statute or rule, which supports such assertion, and it cannot be anything but flagrant fraud because if such policy were to exist, it would contradict existing real policies. Furthermore, this assertion is not even claimed in the declaration of the employee, Dawn Wiggins, which is the basis for MSJ, she claimed on November 16, 2012 that the release of Bounel's records

would violate privacy of an individual because the person who is the holder of the SSN is listed as alive in SSA records:

“SSA has consistently withheld information about the SSN Plaintiff asserts belongs to Mr. Bounel under FOIA exemption 6 and the Privacy Act. In addition, SSA has previously advised Plaintiff that SSA cannot disclose information about the SSN she assert belongs to Mr. Bounel because the individual holding the SSN is living”. ECF 12-2 Declaration of Dawn Wiggins of September 13, 2013.

Since SSA does not have Bounel’s death certificate in their death records, SSA has him listed as alive, as living and refusing to release his records under the privacy rule.

Senior FOIA officer Wiggins, who is a licensed attorney, never stated in her sworn declaration that SSA has a policy to lie to the public, to defraud the public and tell the public that they would not release someone’s records due to privacy if they do not have records for this person at all. This alleged policy to lie to the public does not exist in any rules and regulations and was not claimed in a sworn declaration.

120 year rule requires SSA to release the records of individuals born over 120 years ago. If SSA employees were to follow this made up rule, they would be in violation of real policies, it would clash with the existing real (not fabricated) rules, such as 120 year rule. Fraud is a basis for reversal of the ruling on MSJ and also

is a rebuttal for presumption of truthfulness that is typically extended by the courts to the agency.

SEARCH FOR RECORDS WAS FLAGRANTLY DEFICIENT AND DID NOT COMPLY WITH GUIDELINES SET BY THIS VERY COURT IN ITS 12.13.2013 MEMORANDUM OPINION AND AS SUCH THE MOTION TO GRANT SUMMARY JUDGMENT SHOULD BE RECONSIDERED AND REVERSED

On 12.13.2013 this very court wrote: “Here, defendant has offered the Declaration of Dawn S. Wiggins, who avers, ECF 12-2 ¶ 6: “SSA conducted a search of the Numident for a record that matched the information provided by Plaintiff but could not locate a record for Mr. Bounel.” Wiggins did not explain the manner in which the search was conducted, whether multiple searches were conducted using different combinations of the information provided by plaintiff (to ensure that a minor discrepancy in the information submitted by plaintiff did not sabotage the search), or any other details related to the thoroughness of her search.”

“Plaintiff’s claim that Mr. Bounel was born in 1890 is based on a United States Census record which, according to plaintiff, states that Mr. Bounel was 50 years old in 1940. *See* ECF 13-7. I note parenthetically that an individual who was 50 years old in 1940 could have been born in either 1889 or 1890. *id*

Instead of running the Numident for 1989-1990, the defense admitted that it ran the numident for different years: 1990-1994.

“Because Plaintiff did not provide a full date of birth, SSA performed a date range for any Numident records with dates of birth between January 1, 1890 and January 1, 1894.” Defense never explained why did they search in 1890-1894 when they were told By Judge Hollander to look between 1889-1890?

At any rate, by their own admission they used the wrong range, not the range of dates that they should have used based on 12.13.2013 order by Hon Ellen Hollander.

We still do not know what specific piece of information submitted with the 04.26.2013 FOIA request was different from the existing records for Harry Bounel and which triggered a change of response from “records will not be released due to privacy” as stated on November 16, 2012 (Exhibit 1 herein) to “We were unable to find any information for Mr Bounel **based on information you provided us. Mr. Bounel may have given different information on the application for a number**“, as stated in July 29 2013 response. ECF 7-3 (ex-Parte) filed 08.14.2013. (Exhibit 2 herein) As such this court should reverse its decision and order the defense to release SS-5 to xxx-xx-4425 and advise the court which specific piece of additional information triggered the change in the response by the defense.

THE FACT THAT THE RECORD DID NOT EXIST ON July 29, 2013 DOES NOT MEAN THAT IT DID NOT EXIST ON NOVEMBER 16, 2012, WHEN IT WAS ORIGINALLY FOUND.

Even if you were to believe that SSA did a reasonable search on July 29, 2013, when Wiggins wrote her response, it does not mean that there was no record on November 16, 2012, when the record was found but denied due to the consideration of privacy. There is a high likelihood that the record was either destroyed or falsified after it was found and existed on November 16, 2012, as Merlin Information systems previously found the records of Harrison (Harry) Bounel with SSN xxx-xx-4425 and SSN Locator Plus has found that xxx-xx-4425 was issued to someone born in 1890 and later used by someone born in 1961.

Defendant only claimed that the record was not found when the second search was done, it never claimed that the records did not exist earlier. Due to the fact that the record existed on November 16, 2012 and was wrongfully withheld, this court should order SSA to provide the original paper SS-5, which SSA has and admitted that it never even searched for the original records.

THE RESPONSE FROM THE SSA DID NOT PROVIDE ANY REFERENCE TO ANY POLICY, ANY RULE OR EXECUTIVE ORDER.

In the motion for Summary Judgment in response to the Second Amended Complaint (Hereinafter, "SAC"), defendants decided to make up a new policy, claiming that they originally claimed that they cannot release the records due to privacy, since their policy is such that they do not release records if the number does not match the name, even if the records do not exist at all.

Yet again, SSA did not provide the court with any reference to any statute or known policy which would substantiate their second story, their second excuse.

This court made an error in assuming that there is a law stating that the SSA should respond by claiming privacy when the records do not exist at all, as SSA never provided any reference to any such specific law. The court cannot consider fiction as law: it is an error of both fact and law. No such law exists, no such law was made available to the public, as such the first letter of November 16, 2012 stating that the records of Harry Bounel cannot be released due to the consideration of privacy, means that the records exist, and as such the original SS-5 has to be released under the 120 year rule.

2. RESPONSE BY THE SSA PROVES THAT SS-5 FOR HARRY BOUNEL WITH SSA XXX-XX-4425 EXISTS, BUT ONLY MINOR DISCREANCY IN THE SECONDARY DATA CAUSED SSA TO CLAIM THAT THE DOCUMENTS DO NOT EXIST.

As stated previously in order to cover up fraudulent use of xxx-xx-4425, SSA made up an excuse, which does not exist in any known rules and regulations, claiming that when the documents do not exist or when the name of the subject does not match the Social Security number provided, they give the same response – claiming that the SS-5 cannot be provided due to privacy in order not to reveal private information of someone else. However this response does not make any sense.

Social Security numbers contain 9 digits, meaning that there are nearly a billion numbers, actually one number short of a billion to be exact. For Social Security to claim that responding that there are no records for Harry Bounel with SSN xxx-xx-4425, would somehow reveal someone else's number is an insult to intelligence of every American. This court claimed that this alleged (but not authenticated policy) exists in order for criminals not to guess someone's Social Security number by submitting multiple requests. Considering that there are nearly a billion numbers, a person would have to submit a billion requests in order to guess someone's number by simple elimination. This makes absolutely no sense and no proof of such policy was ever provided.

Even if one were to believe this, still conflicting responses by the SSA would lead to a logical conclusion that there are records for Harry Bounel, but some

discrepancy in secondary information led SSA to claim in the second response that documents do not exist.

Supplemental Declaration of Dawn Wiggins ECF 12-2 filed 09/16/ 13 states

“3. On or about October 15, 2012, SSA received an internet FOIA request for the Social Security number (SSN) records of Harry Bounel, also known as, Harrison Bounel. Outside of name and gender, the only identifiable information provided to SSA with the October 15, 2012 FOIA request was an SSN. Plaintiff was not the requester in the October 15, 2012 FOIA request

4. SSA conducted a search of its Privacy Act system of records entitled the Master Files of Social Security Number Holders and SSN Applications (also known as the “Numident”), system No 60-0058 (published at 75F.R. 82121 (Dec, 2010) for the SSN records requested in the October 15, 2012 FIA request. However, because the October 15, 2012 FOIA request only provided Mr. Bounel’s name and an SSN, any information provided to the requester about SSA’s search would result in validation of the SSN. Consequently, on November 16 2012, when SSA responded to the October 15, 2012 FOIA request, SSA advised the requester that the Privacy Act of 1974 and FOIA exemption 6 restricts disclosure of the requested information. .

5. Plaintiff’s April 26, 2013 FOIA request provided several pieces of information that Plaintiff asserts are true about Mr. Bounel, including: (1) his name, (2) where

he immigrated from (3) his year of birth, (4) when he arrived in the united states, (5) where and when he received a SSN, and (6) his SSN. SSA conducted a search of the Numident for a record that matched the information provided but could not locate a record for Mr. Bounel. Because Plaintiff provided multiple pieces of identifying information with her FOIA request, SSA determined it could disclose to Plaintiff that no records were located because such disclosure would result not result in validation of the SSN provided by Plaintiff for Mr. Bounel.”

So, let’s imagine that the defense is telling the truth and aforementioned policy exists, in this case we have two options:

- a. SSN xxx-xx-4425 was not assigned to Bounel,
- b. SSN xxx-xx-4425 was assigned to Bounel, but SSA is acting with malice and using a minor discrepancy in secondary data provided in the second request in order to justify refusal to provide the SS-5 of Bounel in order to aid and abet Barack Obama in committing Social Security fraud, identity theft and usurpation of the US presidency

So, let us examine option A. According to Merlyn Information Systems 2 individuals used SSN xxx-xx-4425: Harry Bounel and Barack Obama. So let’s assume that even though E- Verify and SSNVS state that the number was never assigned to Barack Obama, let’s assume it belonged to Obama.

October 15, 2012 request sought SS-5, Social Security application for Harry Bounel with SSN xxx-xx-4425. Second, April 26, 2013 request sought Social Security application for Harry Bounel with SSN xxx-xx-4425, but provided 4 additional pieces of secondary information : (1) that Harry immigrated from Russia, (2) that he arrived in the U.S. in 1912, (3) that he was born in 1890 and (4) that the SSN was issued in Connecticut in and around March 28, 1977. SSA stated that **the first request would result in validation of the SSN** and for that reason they stated that they **cannot provide it due to privacy** and the **second request will no longer validate SSN**, meaning it will no longer reveal the identity of the SSN holder and for that reason the second time around they stated that **the records do not exist**. So, let's take the first piece of additional information, the fact that Harry came from Russia. How does the fact that Harry arrived from Russia would change anything in validation of another individual? If the SSN was issued to Obama or anyone else for that matter, to John Doe or Joe Shmo, the fact that Harry Bounel arrived from somewhere in Russia and not Timbuktu or Katmandu or anywhere else on the face of this planet would not change a thing and should trigger the same response from the Senior FOIA officer Dawn Wiggins. Based on the policy SSA claims to have the response from Wiggins from November 16, 2012 and her response from July 29, 2013 would be identical, and they were not.

Next, let's take the second secondary piece of information, the fact that Harry Bounel immigrated to the US in 1912. How does the fact that Harry arrived from Russia in 1912 change anything in identification of Obama and validation of the SSN, if indeed it was assigned to Obama? If indeed, SSN xxx-xx-4425 was issued to Obama and not Bounel, then the fact that Harry Bounel immigrated in 1912 and not 1913 or any other time would not make any difference in the response from the SSA from November 16, 2013 and July 29, 2013.

Same goes for the other pieces of information, such as date of birth and the date and place where the SSN was issued.

b. Now, let's examine option B, namely that SSN xxx-xx-4425 was indeed issued to Harry Bounel. Now, in the second scenario, the difference between the two responses makes sense in that a minor discrepancy between the records would lead the SSA claim that the record does not exist. For example, the date of immigration of 1912. If SSA has a different date of immigration, then they can respond that they have no record and it would explain the difference between the November 16, 2012 letter and July 29, 2013 letter from Wiggins. Similarly, in the FOIA request Taitz wrote that the SSN was issued in and around March 28, 1977. If the date of issuance of the SSN was different, then SSA will provide a different response. So, even if one were to believe the reasoning by the SSA, the difference between November 16, 2012 and July, 28, 2013 (ECF 7-2 filed by defense ex parte

08/14/13) leads to only one logical conclusion, namely that the SSN xxx-xx-4425 was indeed issued to Harry Bounel but minor discrepancy in one or more of the four additional pieces of secondary information caused SSN to provide different responses on November 16, 2012 and August 28, 2013.

So, not only the court needs to reconsider it's decision and order release of the SS- for SSN xxx-xx-4425, the court has to demand from the SSA a specific explanation, what secondary information caused SSA to change its response from "documents cannot be provided due to privacy" and the second response that "the documents do not exist".

3. SSA'S OWN REPLY FROM 03.02. 14 SHOWS THAT THERE IS A GENUINE UNRESOLVED QUESTION OF FACT, WHICH CALLS FOR A DISCOVERY AND THE CASE CANNOT BE DISMISSED WITH A MOTION FOR SUMMARY JUDGMENT

In 03.02.14 reply SSA states: "...the declaration further explains that the Numident is a numerically ordered electronic database containing records of each person who has applied for the SSN, **there is one Numident record for each SSN ever issued**" ECF 32 p9. However the complaint provides competent evidence showing that there are two individuals using the same SSN xxx-xx-4425. Affidavit of Susan Daniels and affidavit of Albert Hendershot provide authenticated excerpts from the national databases, which show that there are two individuals using the same SSN

xxx-xx-4425. It is important that Daniels and Hendershot used different databases, which provided the same results. Daniels used “SSN Verifier Plus”, which showed that SSN xxx-xx-4425 was used by an individual born in 1890 and an individual born in 1961. Hendershot used Merlyn Information Systems, which showed that SSN xxx-xx-4425 was used by Harry Bounel and by Barack Obama. This situation can happen when there is Social Security fraud and identity theft and when the numident, Social Security electronic record was changed. In this case databases would show two individuals using the same number.

Further defense stated: ” **The FOIA requires agencies to conduct a search that is reasonably calculated to uncover all relevant documents**” *Weisberg v United Dep’t of justice*, 705 F 2d 1344,1351 (DCCir 1983). ECF 32 p8.

So when the SSA and the Department of Justice, representing them, saw that there is evidence of a change in the Numident, electronic record, which allowed Obama to use the SSN of Bounel, SSA had a duty, **based on their own admission**, to examine the original paper record to establish, who was the original rightful owner of the SSN xxx-xx-4425. They never did that. So, by her own admission defendant did not fulfill FOIA requirement to conduct a search that is reasonably calculated to uncover all relevant documents. SSA did not even search for the original paper record.

SSA does not state that they did not find the original application of Bounel, they are admitting that they never even looked, even though obligated to do so and even though they had ample evidence of identity theft and falsification of the electronic record.

Further, SSA admitted in their own reply that SSA requires them to search paper records. “the FOIA defines

search” as “to review manually or by automatic means, agency records for the purpose of locating those records which are responsive to the request” 5 U.S.C. §552(a)(3)(D). **The FOIA does require an agency to search paper records.**

Id” The defense states that “FOIA does not require agencies to conduct unreasonably burdensome searches of records” ECF 32, p8. So, was this request “unreasonably burdensome?”. Some FOIA requests seek thousands of records, some seek hundreds of records, but Taitz did not seek thousands or hundreds or even dozens of records: she sought only one and only single record: original paper application for SSN xxx-xx-4425, which was filed with the records for the state of Connecticut right after the application xxx-xx-4424 for Thomas Woods. It would have taken Commissioner Colvin only 5 minutes to pull this record. How could Commissioner of Social Security Carolyn Colvin claim that it would be “unreasonably burdensome” for her to pull one single record, when she has in front of her evidence that this particular number for Harry Bounel was later fraudulently

used by Barack Obama and is used to commit the most serious fraud in the US history and the usurpation of the U.S. Presidency? **Not only this was not “unreasonably burdensome” for her to pull this one and only original paper application, this is criminal and treasonous for her not to do so.** This court flagrantly erred and misinterpreted the facts. Clear evidence showed that there was falsification of the computer records and the **paper records were never even searched.** As such, this court should order the SSA to pull the paper record for xxx-xx-4425.

4. THE COURT ERRED IN GIVING THE COMMISSIONER OF SSA COLVIN PRESUMPTION OF TRUTHFULNESS, WHILE COMPLETELY IGNORING ALL THE EXTENSIVE EVIDENCE OF FRAUD PRESENTED IN THIS CASE, WHICH PROVIDED A REBUTTAL TO THE PRESUMPTION

Presumption of truth given to the defendant, Commissioner Carolyn Colvin, was rebutted by the evidence provided by the plaintiff and as such Motion for Summary Judgment was granted in error and has to be reversed:

1. The court erred in ignoring sworn affidavit from Investigator Albert Hendershot showing that according to Merlin Information systems database only two individuals in the nation used the same Connecticut Social Security number: Harry Bounel and Barack Obama

2. Dead people, who were born over 120 years ago do not steal Social Security numbers of young individuals. Young individuals, who are in this country illegally or ones who are running various schemes and Social Security fraud, are using Social Security numbers of individuals who were born years ago and who are presumed to be dead. For this reason it is likely that the Social Security of Bounel was illegally adopted by Obama and a criminally complicit employee of the Social Security administration made the change in the computer database. For that reason the computer database cannot be used and there is a need to proceed to discovery and examine the original application to the Connecticut Social security number xxx-xx-4425, which was filed out by Bounel.
3. It is likely that Bounel who lived in New York 1935-1940 according to census, moved to the nearby Connecticut. There is no evidence of Obama ever residing in Connecticut. As a matter of fact, Obama biography shows that he never resided in Connecticut and in 1977, when the application for the SSN xxx-xx-4425 was submitted and the number was issued, Obama resided in Hawaii, was a 16 year old high school student in Honolulu, Hawaii, nowhere near Connecticut. This is yet another piece of information pointing to the fact that Obama illegally assumed Bounel's Social Security number

and the court erred in not taking this into consideration and granting a motion for Summary Judgment .

4. The court erred in not taking into consideration the fact that Obama posted his tax returns and failed SSNVS, Second amended Complaint (SAC ECF 20-5) . SSNVS is an official agency of the US government verifying Social Security fraud, which identifies illegal aliens and others using stolen Social Security numbers. Obama himself posted the Social Security number he is using on WhiteHouse.gov. Even though subsequently he realized the mistake and redacted the number, it became common knowledge. The fact that SSNVS showed that the number in question was never assigned to Obama, shows that indeed among two individuals, who used the SSN xxx-xx-4425, Bounel was the rightful owner and Obama fraudulently assumed his number and the computer record, Numident cannot be used, the original SS-5, SSN application card has to be retrieved from the vault and examined, as all the evidence shows that the card was filled up for Harry Bounel, born in 1890 and the computer record, Numident, was subsequently changed. It shows that the court erred in issuing a summary judgment and discovery has to proceed. If Honorable Ellen Hollander does not reverse her order, she will become complicit to the cover up of the Social Security fraud, identity theft and treason due to the usurpation of the US Presidency by a foreign national,

citizen of Indonesia using a stolen Connecticut Social Security number of Harry Bounel and fabricated IDs.

5. The court erred in not taking into consideration the fact that Obama posted his tax returns and failed E-Verify. Plaintiff submitted Exhibit 2, Second Amended Complaint (ECF 20-4), sworn affidavit of researcher Linda Jordan, showing that Barack Obama failed E-Verify and is using a Social Security number xxx-xx-4425, which was not assigned to him. E-Verify is an official agency of the US government verifying Social Security numbers and exposing SSN fraud, which identifies illegal aliens and others using stolen Social Security numbers. Obama himself posted the Social Security number he is using on WhiteHouse.gov. Even though subsequently he realized the mistake and redacted the number, it became common knowledge. The fact that SSNVS showed that the number in question was never assigned to Obama, shows that indeed among two individuals, who used the SSN xxx-xx-4425, Bounel was the rightful owner and Obama fraudulently assumed his number and the computer record, Numident cannot be used, the original SS-5, SSN application card has to be retrieved from the vault and examined, as all the evidence shows that the card was filled up for Harry Bounel, born in 1890 and the computer record, Numident, was subsequently changed. It shows that the court erred in issuing a summary judgment and discovery has

to proceed. If Honorable Ellen Hollander does not reverse her order, she will become complicit in the cover up of the Social Security fraud, identity theft and treason due to the usurpation of the US Presidency by a foreign national, citizen of Indonesia using a stolen Connecticut Social Security number of Harry Bounel and fabricated IDs.

6. The Court erred in not considering a sworn affidavit of investigator Albert Hendershot, ECF 20-6, who attested to the fact that in Merlin information system both Harry Bounel and Barack Obama are listed as using the same SSN xxx-xx-4425. He testified that the latest change in the database of Harry Bounel was by Michelle Obama in and around November 2009 and she is listed as a relative of Harry Bounel, which suggests an effort of cover up which took place in 2009, when it became known from the investigation by Neil Sankey and Susan Daniels that Obama used a SSN xxx-xx-4425, which according to a number of databases was issued to an individual born in 1890. Harry Bounel was this individual.
7. The court erred in refusing to consider the sworn affidavit of former intelligence officer Captain Pamela Barnett, who authenticated a FOIA response received by her from the state department, which stated that Barack Obama's legal last name in his mother's passport records was "Soebarkah", (ECF 20-8), which shows a pattern of fraud in multiple IDs for Obama and

shows that indeed it is more likely that SSN xxx-xx-4425 was issued to Harry Bounel and later was illegally used by Obama.

8. The court erred in not considering a sworn affidavit of a licensed investigator Susan Daniels, who attested that in national databases Obama's name is linked to a number of Social Security numbers, among them the Social Security number of a deceased Lucille Ballantyne. (Ballantyne's son, Harry C. Ballantyne worked as a chief SSA actuary, had access to records and is suspected of being an individual who was involved in the falsification of records). Additionally, Investigator Daniels provided a page from "SSN Verifier Plus" official database, which shows that xxx-xx-4425 was issued in Connecticut and is associated in this national database with the date of birth 1890 and 1961. Clearly someone born in 1890 did not steal the Social Security number of someone born in 1961 (ECF 20-7).
9. Hon Judge Hollander erred in ignoring the sworn affidavit of John Sampson, Senior Deportation officer, who attested that there is no legitimate reason for Obama to have a Connecticut Social Security number, as Obama was never a resident of Connecticut and never had any connection to Connecticut. Taking into consideration that in multiple national databases it shows that two people used SSN xxx-xx-4425: Harry Bounel and Barack Obama, this is an additional piece of evidence that shows that Judge Hollander was wrong is

assuming that the government is telling the truth in the second letter, claiming that they can no longer find records of Harry Bounel, all of the above evidence is a rebuttal to this presumption and shows that the case should go to trial, to be heard on the merits and this court should order release of the SS-5, application t the SSN xxx-xx-4425. SAC ECF 20-8

10. This court erred in completely ignoring a sworn affidavit of Stephen Jeffrey Coffman, high ranking government official, former chief investigator of the Special Investigations unit of the U.S. Coast Guard, who attested under the penalty of perjury that Barack Obama's Selective Service Certificate is a forgery and it contains a fabricated USPS cancellation 1980 stamp SAC ECF 20-9. This evidence shows a pattern of use of fabricated IDs by Barack Obama and the court had to consider this as a rebuttal in the case at hand, as there is a high likelihood or actually certainty that Barack Obama is using a fabricated Social Security card, which was originally issued to Harry Bounel and high ranking SSA officials and US Attorney representing them are committing treason and are complicit in the Social Security fraud and identity theft. Refusal to reconsider the decision at hand will make Hon Ellen Hollander complicit.
11. The court erred in not considering the affidavit of Timothy Adams, assistant clerk for the City and County of Honolulu, attesting to the fact that there is no

birth certificate for Obama in any hospital in Honolulu, which is yet additional piece of evidence of massive fraud of IDs for Obama which adds to the likelihood that indeed Obama is using the SSN of Bounel. ECF 20-11

12. The court erred in not considering transcript from the session of the Republic of Kenya, where minister of Health James Orenga stated that Obama was born in Kenya, which is yet another piece of evidence showing fraud in Obama's IDs, which adds strength to the rebuttal of the statement by the defense. ECF 20-12

13. The court erred in not considering exhibit 20-13 to SAC, autobiography, which Obama submitted to his publisher Acton & Dystal, where he stated that he was "born in Kenya and raised in Indonesia". This biography was posted on the official website of the publisher for 16 years, from 1991 till 2007, when Obama decided to run for the U.S. President and suddenly needed to become "natural born citizen". This is yet another piece of evidence, showing massive fraud in IDs, which points to the fact that Barack Obama indeed fraudulently issued SSN of Harry Bounel and the court should order the release of the SS-5 for xxx-xx-4425 and examination of this SS-5 by experts.

14. The court erred in not considering the sworn affidavits of Felichito Papa and Douglas Vogt, who attested to multiple signs of forgery in the alleged copy of

the alleged birth certificate of Barack Obama, which show the pattern of fraud and forgery in multiple IDs of Obama. (ECF 20-14, 20-15)

15. This court erred in not considering an article and affidavit by typewriting and typesetting expert with 50 years of experience, Paul Irely, where he vividly showed that Barack Obama's alleged copy of the alleged birth certificate is a laughable forgery with letters and numbers of multiple different fonts. This evidence related to fraud in multiple fraudulent IDs for Obama and high likelihood of Obama indeed using the stolen SSN of Harry Bounel and the need for this court to reconsider its decision on Summary Judgment and order discovery. ECF 20-16.

16. The court erred in not considering the sworn declaration of Charles Combs, typesetting expert with 34 years of experience, who attested to the fact that alleged copy of the alleged birth certificate for Obama is a forgery and it shows a pattern of fraud and forgery in Obama's IDs and a need to go to discovery and examine the original SS-5 for SSN xxx-xx-4425. ECF 20-17.

17. The court erred in not considering a sworn affidavit of Sheriff Joe Arpaio of Maricopa county Arizona stating

“Upon close examination of the evidence, it is my belief that forgery and fraud was

likely committed in key identity documents including President Obama's long form birth certificate, his Selective Service Registration card, and his Social Security number." ECF 20-18

8. This court erred in not taking into consideration Barack Obama's school registration from Jakarta, Indonesia, which showed that his legal last name is Barry Soetoro and his citizenship is Indonesian, which showed the motive for him to use stolen SSN of Harry Bounel, which means that discovery is necessary to ascertain whether the SS-5 for SSN xxx-xx-4425 was indeed assigned to Harry Bounel and the defendant is committing fraud and treason by claiming that the document cannot be found. ECF 20-19
9. This court erred in not taking into consideration exhibit ECF 20-20, which shows forgery and falsification of the NARA immigration records for August 1961, when Obama and his mother Stanley Ann Dunham allegedly arrived in the US, which shows a high likelihood of a similar falsification of the Social Security records.
10. This court erred in not taking into consideration Exhibit ECF 20-21, which shows that the Chairman of the Democratic Party of Hawaii Brian Schatz and Secretary Lynn Matusow falsified the Official Certification of Nomination and removed the wording " Legally qualified to serve under the provisions of the U.S. constitution" in order to "qualify" unqualified Obama. Similarly

there is a high likelihood of egregious falsification of the Social Security records and fraud by the defendant and FOIA officer Dawn Wiggins, in order to cover up falsification of the SS-5 of Harry Bounel in order to provide aid and comfort to Obama.

11. This court erred in not taking into consideration fraud committed by Obama in his registration as an attorney in Illinois and hiding two of his prior identities under the last names of Soetoro and Soebarkah. This is an additional evidence of a motive and a need to commit Social Security fraud and identity theft and use a stolen Social Security of Bounel. ECF 20-23
12. This court erred in not considering fraud committed by Obama in his account of his college records in his claims that he studied for two years in Columbia University while ECF 20-24 showed that he attended Columbia just for nine months. This is yet another piece of evidence showing massive fraud.
13. This court erred in ignoring exhibit ECF-25, which shows more fraud in Obama's official biography, where he states that he moved to Indonesia in 1967, while his school pictures show that Barack Obama resided in Hawaii until 1969 and a completely different young man, Barry Soetoro, resided in Indonesia from between 1967 and 1969. There is a high likelihood that Barry Soetoro returned to the US in 1971.

14. This court erred in ignoring glaring inconsistencies in a report of death of Loretta Fuddy, director of Health of Hawaii, the only person in the nation, who allegedly saw and verified Obama's long form birth certificate and a high likelihood of murder of Loretta Fuddy in order to tie loose ends.

15. The court erred in failing to consider the motive for either destroying evidence or falsifying evidence.

If the plaintiff challenges the nature and extent of an agency's search for responsive documents, the agency "must demonstrate beyond material doubt that the search was reasonable." *Kowalczyk*, 73 F.3d at 388. All of the evidence provided by the plaintiff provided material doubt and search of the Numident only is not sufficient, this court is obligated to order the defendant **to provide the paper record, the original application for SSN xxx-xx-4425, as all the evidence shows that the electronic record was changed and only the original paper record can resolve the material doubt.** Based on all of the above this court erred in giving a presumption of truthfulness to the third sworn affidavit proffered by the agency, where the agency stated that it could not locate records for Bounel and refusing to give the same presumption of truthfulness to all the other government records and sworn affidavits of government officials listed above and submitted with the Second Amended Complaint and other documents. Even if this court were to believe that the mountain of evidence provided by the plaintiff was not sufficient in

order to grant a Motion for Summary Judgment in favor of the plaintiff, it was clearly sufficient for a rebuttal and showing that there is a genuine question of triable fact whether the SS-5 for xxx-xx-4425 was issued to Barack Obama or was issued to Harry Bounel and the number later was fraudulently assumed by Obama and the claim of lack of record is a flagrantly fraudulent statement made to the court by the defendant and her representative Dawn Wiggins, who is criminally complicit in the cover up of fraud, forgery, Social Security fraud, identity theft and treason.

5. THIS COURT ERRED IN RULING THAT THERE IS NO TRIABLE QUESTION OF FACT OR LAW BASED ON ONE UNSUPPORTED STATEMENT OF AN OFFICIAL, WHICH REPRESENTS A DOUBLE LAYER OF HEARSAY, PRESENTED AFTER THREE CHANGES OF THE STATEMENT, WHILE DISREGARDING OTHER CONFLICTING STATEMENTS BY THIS OFFICIAL AND ALL THE CONFLICTING RECORDS PROVIDED BY THE PLAINTIFF.

Plaintiff provided this court with ample evidence, including November 2012 letter from SSA, showing that SSA has SS-5, original application for SSN for Harry Bounel, which is xxx-xx-4425, as reflected in the Merlin Information Systems database ECF 20-6.

Against evidence provided by the plaintiff, defense provided only two conflicted statements by one employee of the SSA, Dawn Wiggins, who based her statement on the Numident, which is not even a document, but a list of Social Security numbers and corresponding information, which were manually entered into the computer database. Computer entry is notorious for errors at the very least, could have been changed, as multiple high ranking employees were appointed by Barack Obama and had a motive to either change or destroy records to aid and abet Obama. As a matter of fact, in this very court, in this very case, the clerk of the US District Court for the state of Maryland deleted pleadings and documents from the record and the plaintiff had to lodge a complaint and demand the records to be re-entered and this court had to order the documents posted back on the record. Additionally the clerk of the court wrongfully refused to docket reply to the opposition. (ECF 34.) Though Hon Judge Hollander tried to be diplomatic towards her own employees in stating that Plaintiff could not see documents in docket entry ECF 7 and the court contacted the clerk's office and the problem was resolved, in reality not just the plaintiff could not see the records, the whole nation could not see the records in this very case, in this very court, because the records ECF 7 were simply deleted by someone in the clerk's office and later reposted after the complaint by the plaintiff. This has been a common occurrence in multiple courts in cases dealing with Obama and the plaintiff had to go through a

total nightmare for five years now in trying to preserve the records, particularly for historic posterity as sooner or later this fraud will be prosecuted, just as the Watergate was. There had to be an administrative hearing by this court and investigation to ascertain the name of the employee who deleted the records in this very case and the name of the government official who told the clerk to do so. So far the matter of falsification of records in this very court has not been investigated and has not been resolved, identity of individuals involved has not been provided.

So, Hon Judge Hollander knows firsthand that the clerks and other government employees at times either make errors in entering records in computer database or falsifying records. If the records of this case could disappear in this very court, how can Honorable Judge Hollander even suggest that this cannot happen at SSA, when all the voluminous evidence in the case shows fraud and falsification of the original SSA records of Harry Bounel in order to create a bogus record for the citizen of Indonesia Barry Soetoro, aka Barry Soebarkah, aka Barack Hussein Obama. At the very minimum the third modified declaration by SSA FOIA officer Dawn Wiggins represents a double layer hearsay and the plaintiff provided a valid rebuttal, which shows that this statement is either flagrantly fraudulent or Wiggins is relying on falsified records or some type of minor discrepancy. This warrants reconsideration and denial of the Summary Judgment in favor of the defendant and

discovery and the order by this court to produce SS-5 for xxx-xx-4425 to ascertain if indeed it was assigned to Harry Bounel and the SSA is covering up this fact.

By refusing to reconsider and produce SS- for xxx-xx-4425 which, according to Merlin information systems, was assigned to Harry (Harrison) Bounel, this court will under the color of authority, under 18US §242 deprive the whole nation, all 320 million of U.S. citizens of their civil rights to live in a nation governed by law and Constitution with Constitutionally eligible president, as evidence provided in this case shows that Barack Obama has fraudulently assumed Social Security number xxx-xx-4425 of Harry Bounel. Due to the refusal of this court to order the defense production of the original application, in spite of evidence of falsification of records, the court is depriving US Citizens of their right to a constitutional government and they are under the usurpation.

6. THE COURT ERRED IN NOT CONSIDERING 09.17.2013 FOIA REQUEST FOR SS-5 FOR HARRY BOUNEL

As stated :

1. On November 16 2012 SSA refused request for records of Harry Bounel due to alleged privacy concerns of the subject
2. On 08. SSA refused to produced records claiming that additional secondary information led the SSA to conclude that they have no records

3. 08.08.2013 request was sent appealing refusal to produce records due to minor discrepancy and on 08.08.2013 plaintiff sought for SS-5 of Harry Bounel without any secondary information. This request went unanswered and in the pleadings the SSA claimed that the defendant did not respond due to the fact that it was an appeal and the case was already in court.
4. On 09.17.2013 Taitz submitted the fourth FOIA request for SS-5 of Harry Bounel. This time it was a request for records of Harry Bounel without any secondary information. Additionally it was not fashioned as an appeal, but rather as a new FOIA request. ECF 35-4 p4 out of 5. At this time SSA ran out of excuses and did not respond at all.
5. This court should order SSA to respond to the FOIA request from 09.17.2013 and produce SS-5 of Harry Bounel without any secondary information which might contain a discrepancy.

6. THE COURT ERRED IN GRANTING THE SUMMARY JUDGMENT AND MAKING A PRESUMPTION THAT THE DEFENDANTS, EMPLOYEES OF THE FEDERAL GOVERNMENT ARE TELLING THE TRUTH, WHILE REFUSING TO TAKE INTO CONSIDERATION MOUNTING EVIDENCE OF MASSIVE CORRUPTION, FALSIFICATION OF RECORDS AND FRAUD IN MULTIPLE AGENCIES OF THE

FEDERAL GOVERNMENT, PARTICULARLY NOW, DURING OBAMA ADMINISTRATION.

Fast and Furious investigation revealed that Department of Justice engaged in gun trafficking to drug cartels in Mexico, while knowing that the cartels are linked to dangerous terrorist organizations. Attorney General Eric Holder was found to be in contempt of the US Congress and currently the US Congress is suing Attorney General Holder and seeking a court order from Federal Judge Amy Berman to order Holder to release "Fast and Furious" documents.

Recent VA scandal revealed that employees of the Veteran's Affairs and VA hospitals routinely falsified records of requests for treatment and as a result as many as 40 veterans died due to lack of treatment.

IRS scandal revealed that high ranking IRS officials engaged in persecution of Tea Party members and refused to grant legitimate nonprofit status for years. At the same time the manager of the non-profit organizations department, Lois Lerner, who led this effort to delay the nonprofit status to conservatives, granted a non-profit status to a questionable charity, which was headed by Obama's Kenyan half-brother, Malik Obama, she provided a non-profit status for him within three weeks and authorized his application reportedly by going in on Sunday and back dating the application from this "charity", which was operated from a POBox.

One will be hard pressed to find a single agency in Obama administration, which was not engulfed in scandals involving fraud and falsification of records. So, not only the evidence in this case, but the surrounding scandals show mounting evidence of fraud and falsification of official government records by different officials of Obama administration. This is yet another consideration in that the court erred in giving the presumption of truth to the double hearsay proffered by FOIA officer Wiggins, who changed her response and declaration three times. This presumption was erroneously given without considering the evidence in rebuttal.

7. THE COURT ERRED IN REFUSING TO FORWARD THE EVIDENCE OF SOCIAL SECURITY FRAUD AND IDENTITY THEFT AND USE OF SSN OF BOUNEL BY OBAMA TO THE FEDERAL GRAND JURY under 18 USC §3332

So, we are seeing a pattern of fraud and falsification of records by high ranking officials in multiple agencies of the US government. We have seen in this case ample evidence of the cover up by the SSA officials of the fact that Barack Obama is fraudulently using a Social Security number which according to SSNVS and E-Verify was never assigned to him and which according to Merlin Information systems and <http://www.axciom.com/> identity solutions database was assigned to Harry (Harrison Bounel), as well as his use of other fabricated IDs, such as Selective Service certificate and birth certificate (Exhibits 1-23 Second Amended

Complaint ECF 1-23) . Plaintiff requested this court to forward this evidence to the Federal Grand jury under USC 18§332, which states: **(a)** It shall be the duty of each such grand jury impaneled within any judicial district to inquire into offenses against the criminal laws of the United States alleged to have been committed within that district. Such alleged offenses may be brought to the attention of the grand jury **BY THE COURT** “emphasis added.

In her memorandum opinion Hon Ellen Hollander questioned whether she has jurisdiction and stated that she will not forward this evidence to the grand jury, even if she has the power and jurisdiction to do so under 18 USC 3332, because we have able prosecutors and they can do it.

First, 18 USC 3332 in itself provides jurisdiction to the federal judge to forward to the Federal Grand Jury: **(a)** It shall be the duty of each such grand jury impaneled within any judicial district to inquire into offenses against the criminal laws of the United States alleged to have been committed within that district. Such alleged offenses may be brought to the attention of the grand jury **BY THE COURT** “emphasis added. SSA headquarters are located in the US District of Maryland and Hon Ellen Hollander clearly has jurisdiction to forward to the Federal Grand Jury evidence of offenses against the criminal laws that were committed in the District of Maryland pursuant to 18§3332. Similarly, she can forward the aforementioned evidence to the US attorney who is representing the

defendants in this case or the US attorney Rosenstein the evidence of aforementioned crimes to be forwarded to the grand jury.

Further, in her 03.10.2014 reply to the opposition Taitz provided a precedent for such referral: *In the Matter of In re GRAND JURY APPLICATION*. No. 85 Crv. 2235 (VLB) US DC for the SD of NY.

Hon Judge Hollander missed the most important point: our prosecutors, from US Attorney to Attorney General might be able, but they are not willing to uphold their oath of office to protect and defend the US Constitution, they are criminally complicit in the cover up. Plaintiff Taitz provided all the information to the Attorney General Eric Holder, as well as the U.S. Attorneys' office. Attorney General and US attorneys are all Obama's appointees and are refusing to take action and are de facto committing treason against the United States of America and are covering up the usurpation of the US Presidency by a citizen of Indonesia, who is using a stolen Social Security number, which was traced to Harry Bounel and using all fabricated IDs. In this situation the right of Hon Ellen Hollander to forward this information to the grand Jury rises to the level of duty, as not doing so, will make her complicit in the cover up of all the ample evidence of Obama's use of fabricated IDs, invalid Social Security number and usurpation of the US Presidency by a citizen of Indonesia using fabricated IDs. In this situation, not proceeding to discovery and not ordering the SS-5, original application to the

Social Security and not allowing expert investigation of the matter would be tantamount to treason and complicity to the most egregious identity theft and Social Security fraud in the US history.

We know that during Watergate over thirty officials of Nixon administration including Attorney General John Mitchell went to prison for crimes which included fraud and obstruction of justice. So, what is the difference between Watergate and Obamagate? The main difference is that during Watergate and ObamaForgeryGate or ObamaIDgate, or ObamaSSNgate top echelons in the US Department of Justice and Judiciary followed their oath of office to protect and defend the US Constitution and were not complicit in the cover up. Attorney General Elliott Richardson appointed a special prosecutor Archibold Cox and later Leon Jaworski . Judge Joseph Sirica ordered release of the White House tapes. Today, Attorney General Eric Holder refused to take any actions on the matter and has been complicit in the cover up. US attorneys under Eric Holder refused to address the issue. Three White House counsel resigned. As stated, due to complicity of the Department of Justice under Eric Holder, federal prosecutors will not forward the evidence to the Federal Grand Jury, as such it becomes a duty of this court to follow the footsteps of Judge Joseph Sirica, who presided over Watergate and reconsider the decision on the Motion for Summary Judgment and order the SSA release of the SS-5 for SSN xxx-xx-4425, which according to

Merlin information systems and all of the evidence provided in the case was assigned to Harry (Harrison) Bounel in and around 1977 and were illegally appropriated by Obama from around 1986 and forward to the Federal Grand Jury per 18USC §2333 for criminal investigation all the evidence provided to this court by the plaintiff. Barack Obama cannot claim privacy, as one does not have an expectation of privacy in stolen IDs, and he, himself, revealed that he is using this stolen Connecticut Social Security number xxx-xx-4425, when he posted his tax returns at 11am on 04.15.2010 and did not properly redact the documents. At that point he entered this information in public domain. The only thing that is missing is action by the court in ordering the release of the SS-5 to xxx-xx-4425, which belonged to Harry Bounel, but later fraudulently assumed by Obama.

Further, this court can grant the plaintiff Ex relator status. Ex relator status does not mean that the plaintiff had a personal injury, but rather that the court allows the plaintiff to step in the shoes of the government official, in this case US Attorney, A classic example of Ex Relator status is Qui Tam. Qui tam cases exist specifically because the court allows whistleblowers to step into the shoes of government officials. For example 342 F.3d 634: United States of America, Ex Rel., Plaintiff-appellee, Sean Bledsoe, Plaintiff/Relator-appellant, v. Community Health Systems, Inc.; Sparta Hospital Corporation D/b/a White County Community Hospital, Defendants-appellees. In this case a whistleblower stepped into the shoes of the

government in the case dealing with fraud by medical facilities against the government. *U.S. ex rel. Kelly v. Boeing Co.*, United States Court of Appeals, Ninth Circuit. September 07, 1993 9 F.3d 743 1993 WL 460501. In US Ex Relator Kelly stepped into the shoes of the US Attorney suing a contractor. U.S. ex rel. Thompson v. Columbia/HCA Healthcare Corp. United States District Court, S.D. Texas, Corpus Christi Division. August 18, 1998 20 F.Supp.2d 1017 1998 WL 657714 Physician brought qui tam action pursuant to False Claims Act (FCA) against healthcare provider and affiliated entities to recover for submitting Medicare claims in violation of Medicare anti-kickback statute and self-referral statutes, or Stark laws.

In the case at hand Plaintiff is similarly seeking either for the court to forward the evidence to the grand jury or order the US Attorney in the case at hand to forward the evidence to the grand jury or grant the Plaintiff Ex Relator status to step into the shoes of the US Attorney in representing the US government, US Department of Justice and the Social Security administration in presenting to the grand jury for prosecution evidence that a foreign national Barry Soebarkah, aka Barry Soetoro, aka Barry (Barack) Hussein Obama is usurping the US presidency while using a stolen Connecticut Social Security number and fabricated IDs and that there are a number of high ranking government officials, prosecutors and judges who are

committing treason and are being criminally complicit in the cover up of fraud, forgery, Social Security fraud, identity theft and treason.

8. THE COURT ERRED IN ITS ASSERTION THAT THE REQUEST FOR VAUGHN INDEX IS MOOT, IT SHOULD BE RECONSIDERED AND THE COURT SHOULD ORDER RELEASE OF THE SS-5 FOR SSN XXX-XX-4425, WHICH ACCORDING TO MERLIN WAS ISSUED TO HARRY BOUNEL AND LATER FRAUDULENTLY ASSUMED BY BARACK OBAMA.

The court erred in denying the motion seeking a release of the Vaughn index as moot. The court erroneously concluded that there are no records pertaining to this case, however by defense own admission November 16, 2012 letter by FOIA officer Wiggins refers to SS-5 to SSN xxx-xx-4425 of Harry Bounel and refuses to release the records due to privacy. All the evidence, provided by the plaintiff and discussed previously, is consistent with this letter and shows that SS-5 for xxx-xx-4425 exists and is being withheld due to the fact that it was later fraudulently assumed by Barack Obama and a number of employees of the SSA are criminally complicit in this fraud, forgery and identity theft. The only inconsistent evidence in this case is a July 28, 2013 letter, where the same FOIA officer Wiggins suddenly could no longer find the records for Bounel and claimed that the SSN xxx-xx-4425 belonged to another individual, ostensibly Barack Obama. At the very minimum

we have here a triable issue of fact, as to whom the SS-5 to SSN xxx-xx-4425 belongs to and it was and still is a duty of this court to order the SSA to preserve the original SS-5 to SSN xxx-xx-4425 for this case from destruction/spoliation and for all future criminal investigations and prosecution and subsequently order expert examination of this original SS-5 application to establish with the 100 percent certainty who was the original owner of this Social Security number. Refusal to order preservation of records by this court might ultimately make this court complicit in destruction/spoliation of the records, which are of paramount importance for the US National Security and legitimacy of the US Presidency.

RELIEF REQUESTED

Based on all of the above,

- 1. The court should reconsider the order to grant Motion for Summary judgment and deny aforementioned order for summary judgment.**
- 2. The court should order discovery and order production by the defendant of the SS-5, original Social Security application to the number xxx-xx-4425, which according to Merlin Information systems and all the evidence in the case was assigned to Harry (Harrison) Bounel and later fraudulently assumed by Barack Obama,**
- 3. This court should demand from the Social Security administration an explanation, which specific additional data provided in the second request for**

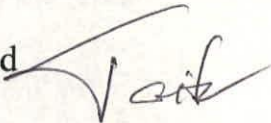

SS-5 for Harry Bounel xxx-xx-4425 caused SSA to change its response from claiming that the “records cannot be provided due to privacy” to “records cannot be found at all”

4. This court should find that SSA did not respond to 09.17.2013 FOIA request and order SSA to respond and provide the SS-5 for Harry Bounel pursuant to 09.17.2013 FOIA request.

5. This court should order SSA to prepare Vaugh index of all the records n the case, specifically the SS-5 for xxx-xx-4425

6. This court should under 18USC §3332 forward to the Federal Grand Jury all the evidence of offenses against the criminal laws of the United States which were provided by the Plaintiff to Honorable Judge Hollander and which were committed by the defendant Acting Commissioner of Social Security Carolyn Colvin, FOIA officer Dawn Wiggins and citizen of Indonesia Barry Soetoro, aka Barry Soebarkah, aka Barack Hussein Obama currently occupying the position of the President of the United States.

STATEMENT OF FACTS

In this case plaintiff provided the court with evidence that the SSA has SS-5, Social Security application of Harry (Harrison) Bounel, which SSA wrongfully did not release claiming privacy, even though Bounel was born in 1890 and his documents are considered to be documents of extremely aged individual and do not fall under privacy exemption per 120 year rule. Plaintiff also provided this court with sworn affidavit of professional debt collector and researcher, which showed that Bounel had SSN xxx-xx-4425, which was later used by Barack Obama. Taitz also provided this court with some 150 pages of sworn affidavits of top law enforcement officials and government records showing that Obama was a citizen of Indonesia, born in Kenya who used not only a stolen SSN of Harry Bounel, but also all fabricated ID. (SAC and exhibits).

On May 31, 2014 Barack Obama released five top Taliban terrorists, among them Khairulla Khairkhwa in exchange for a deserter Bowe Bergdahl. Soebarkah-Soetoro-Obama has engaged in this release without prior 30 day notification of the US Congress which Obama was required to effectuate under the NDAA of 2014 and without a notification to the US District Court and the Court of appeals, which

denied Habeas Corpus for Khairulla and ruled only a year and a half earlier, on 12.14.2012 that Khairulla is too dangerous to the US to be released and has to stay in the US custody. Obama further obfuscated this release by making the notification to the US District court retroactively, on June 4 2014, four days after the release, misrepresenting the release as transfer and misspelling the name of this top terrorist, so that parties watching the case will not know who was released. While initially Obama tried to blame Secretary of Defense Chuck Hagel in making the decision to release Khairulla, and throw Hagel under the bus, on June 11, 2014, Hagel testified before the US Congress and confirmed that the ultimate decision to release the terrorist five "Dream Team" was indeed made by the Commander in Chief Barack Obama. Actions of Obama in releasing and sending to roam free in Qatar of Khairkulla Khairkhawa and the other four top Taliban lieutenants, guilty of deaths of thousands of people, can only be compared to a hypothetical transfer by President Truman of Himmler, Goebbels, Heydrich, Goering and Eichman to sun bathe at the beaches of Rio at the time of Nuremberg trials. By such actions Obama committed a high crime of treason, giving aid and comfort to the enemy under the 18US§ 2381. Actions by Obama invigorated jihadi-Taliban-Al Qaeda movement. Retired United States Army Lieutenant Colonel and author Ralph Peters appeared on FOX news on 06.11.2014 and stated in relation to the recent

Al-Qaeda victories in Iraq are the greatest Islamist conquests since the 12th Century.

"Patty Ann, this is President Obama's real legacy. The creation of the first jihadi state in modern history stretching from central Syria to Central Iraq and now approaching Baghdad ...And now, just to put this in perspective for viewers, with this jihadi conquest of Mosul and jihadi forces approaching Baghdad, this is shaping up to be the biggest Arab jihadi victory since the 12th Century, 1187, and the fall of Crusader Jerusalem. This is momentous." All of the above represent a exigent circumstance justifying a motion to expedite at hand.

Emergency motion at hand seeks an emergency ruling in release of the original SS-5 to SSN xxx-xx-4425, which was assigned to Harry Bounel and later fraudulently assumed by Obama, as well as forwarding by this court under 18USC 3332 to the federal Grand Jury for the District of Maryland or an order by this court to the US Attorney for the District of Maryland, representing defendants in this case, to forward to the Federal Grand Jury under 18 US 3332 all the evidence presented in this case.

ARGUMENT

18 U.S. Code § 2381 - Treason

"Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States."

As the President Elect Barack Obama took an oath of office to protect and defend the US Constitution and therefore owes allegiance to the United States.

As shown in the case at hand Obama aka Barry Soetoro, aka Barry Soebarkah, has violated the US constitution and usurped the position of the US President using fabricated Selective Service Registration, fabricated birth certificate and stolen Connecticut Social Security number xxx-xx-4425. After Obama published this number with his tax returns, it was checked and failed both E-Verify and SSNVS and was found to be assigned to Harry Bounel, born in 1890. It is believed that though the original application, SS-5 of Harry Bounel is still contained in the SSA records, the Numident, electronic record was falsified. (SAC and exhibits)

In his school records from Assisi school in Jakarta Indonesia, Obama is listed as a citizen of Indonesia, last name is the last name of his step father, Lolo Soetoro and religion Islam. (SAC and exhibits). Obama was only one of a couple students who were listed as Muslim in that school.

In 2008 a number of GITMO prisoners, among them Khairulla Khairkhwa (Hereinafter Khairulla), filed a legal action 08-cv-01805 in the US District Court for the District of Columbia seeking Habeas Corpus. US district court Judge Ricardo Urbina denied it in 2011 finding that Khairulla represents too great of a risk to the National security to be released. Petitioner Khairulla Khairkhwa, detainee, filed an appeal in the US Court of Appeals for the District of Columbia. The appeal was against Barack Obama, President of the United States, ET AL, appellees. Only a year and a half ago on 12.14.2012 a three judge panel of the circuit Judges Rogers, Garland and Randolph affirmed the decision by Judge Urbina.

In his opinion Senior Circuit Judge Randolph wrote as follows:

"Khairkhwa is a detainee at Guantanamo Bay Naval Base. *Khairkhwa v. Obama*, 793 F. Supp. 2d 1 (D.D.C. 2011). The Authorization for Use of Military Force (AUMF), Pub. L. No. 107-40, 115 Stat. 224 (2001), authorized the President to detain individuals who were "part of" al-Qaeda, the Taliban, or associated forces engaged in hostilities against the United States or its allies. *See, e.g., Al-Bihani v. Obama*, 590 F.3d 866, 872 (D.C. Cir. 2010); *Awad v. Obama*, 608 F.3d 1, 11-12 (D.C. Cir. 2010). The National Defense Authorization Act for Fiscal Year 2012 affirmed the President's authority to detain any "person who was a part of or substantially supported al-Qaeda, the Taliban, or associated forces that are engaged in hostilities against the United States or its coalition partners, including any person who has committed a belligerent act or has directly supported such hostilities in aid of such enemy forces." Pub. L. No. 112-81, § 1021, 125 Stat. 1298, 1562 (2011). Khairkhwa, an Afghan national, became a senior Taliban official in 1994, several years after Soviet troops withdrew from Afghanistan. He admits as much but asserts that he was not a

part of the Taliban forces.¹ The evidence presented at a four-day hearing before the district court showed otherwise.

¹ Although the district court discussed classified evidence, the unclassified evidence set forth in this opinion is alone sufficient to sustain the court's denial of Khairkhwa's petition.

Khairkhwa was a Taliban spokesman and senior district administrator for several years, became governor of Kabul for a brief period, and then served as the Taliban's acting interior minister from approximately 1996 to 1999. *Khairkhwa*, 793 F. Supp. 2d at 16. He was one of ten members of the Taliban's highest leadership council, the Supreme Shura, which reported directly to Taliban leader Mullah Omar and supervised subordinate councils responsible for military operations. *Id.* at 32. Most of the members of senior Taliban shuras were also military commanders. *Id.* at 33. Khairkhwa was no exception: the district court found that he was a commander in the 1997 and 1998 Taliban assaults on the western Afghan city of Mazar-e-Sharif.² *Id.* at 21–32.

Mullah Omar appointed Khairkhwa governor of Herat province in October 1999. He was still serving in that position when the United States invaded Afghanistan in the fall of 2001. *Id.* at 16–17, 33. As governor of Herat, Khairkhwa distributed funds to Taliban military and security forces. *Id.* at 35. He had extensive knowledge of Taliban military facilities, personnel, and weapons caches and capabilities. *Id.* at 33–35. After he was captured, Khairkhwa provided detailed information of the Taliban's assessments of shoulder-fired anti-aircraft missiles and of the Taliban's efforts to obtain and protect Stinger missiles. *Id.* at 34–35. He also described each military facility in Herat province, including its location, condition, special characteristics or capabilities, and other sensitive information. *Id.* at 33–34.

² These were major battles fought during the Taliban's violent rise to power. *Khairkhwa*, 793 F. Supp. 2d at 21–22. Taliban forces massacred thousands of the Hazara residents of Mazar-e-Sharif after seizing the city in 1998. *Id.*

The evidence showed, and the district court found, that officials in Khairkhwa's position possessed military authority under the Taliban governance structure. *Id.* at 33. “[N]early all senior Taliban leaders held both civilian and military positions”;

Khairkhwa's predecessor, Mullah Abdul Razaq, was a senior military commander while he was governor of Herat. *Id.* The obvious inference to be drawn from all of this evidence, an inference the district court correctly drew, is that it was more than likely that Khairkhwa wielded authority over military matters during his tenure as governor of Herat.

Khairkhwa admits that he met with senior Iranian officials several times while serving as Herat's governor. He does not deny that at one such meeting in January 2000, the participants discussed how to protect Afghanistan from United States intervention. Relying in part on these admissions, the district court found that Khairkhwa participated in another high-level meeting with Iranian officials in early October 2001. *Id.* at 37-38. The Iranian delegation included the deputy commander of the Iranian Foreign Intelligence Service and the head of the Afghan Department of the Iranian Foreign Intelligence Service. *Id.* at 37. In anticipation of the U.S.-led military operation, the Iranian officials offered military support for the Taliban's defense, including anti-aircraft missiles, other unspecified equipment, and free passage for "Arabs" traveling between Iran and Afghanistan. *Id.* at 37-38. The Taliban delegation also included Abdul Manan Niazi, the governor of Kabul and commander of the Taliban forces who committed atrocities at Mazar-e-Sharif in August 1998. *Id.* at 37.

The district court thought it significant that Khairkhwa was appointed to represent the Taliban in these high-level military meetings. To the court, the evidence showed that Khairkhwa "was entrusted with significant military-related responsibilities at the time of the outbreak of hostilities with the United States and strongly indicates that he was part of Taliban forces at that time." *Id.* at 40. The court properly rejected Khairkhwa's assertion that he was merely a security officer protecting the Taliban delegation. Even if the evidence supported Khairkhwa's version, which it does not, this would still "demonstrate that he possessed command authority over Taliban forces on the eve of the U.S.-led invasion," *id.* at 39.

The district court also found that Khairkhwa continued to operate within the formal Taliban command structure after Operation Enduring Freedom began in early October 2001, and provided support to Taliban military forces. *Id.* at 40.

Khairkhwa admitted, during a 2002 interrogation, that in early November 2001 he traveled from Herat to the Taliban-controlled Kandahar province in a convoy of vehicles full of weapons and that he turned over the weapons to a local official. *Id.* at 40–41. Khairkhwa was arrested in Chaman, Pakistan, at the home of Abdul Manan Niazi, the same former Taliban governor who commanded Taliban forces at Mazar-e-Sharif, and who joined Khairkhwa in the October 2001 meeting with Iranian intelligence officials. *Id.* at 44–45. The circumstances of Khairkhwa's capture, his close ties with Mullah Omar, and the absence of anything showing that he dissociated himself from the Taliban demonstrated that Khairkhwa remained part of the Taliban forces at the time of his capture. *Id.* at 43–45." (exhibit 1 Memorandum opinion in 11-5180 Khairulla Khairkhwa)

In spite of the ruling by both District and Circuit courts that Khairulla Kahirkhwa was a senior Taliban commander who was responsible for military actions where thousands of people were slaughtered, and in clear violation of NDAA of 2014 not providing 30 day notification to the US Congress, citizen of Indonesia Soetoro-Soebarkah-Obama released Khairkhwa and paid for his travel to Qatar were Khairkhwa is allowed to live free.

It is noteworthy that on June 4, 2014, **four days after the release**, not before the release, Obama notified the US District court. Exhibit 1 Notice of transfer of Khairulla Khairkhwa et al v Bush 08-cv-01805 RCL, ECF 225. Obama, who became the lead respondent in the case, filed "Notice of Transfer" stating "Respondents hereby provide notice that the United States has relinquished custody of Petitioner KHAIR ULLA SAID WALI KHAIRHWA (ISN 579) and transferred him to the control of Qatar. June 4, 2014" So, if the US District Court Senior Judge, Royce C. Lambeth, who was overseeing the case after resignation of Judge Urbina, wanted to stay this release due to prior finding of threat to national security, this could not have been done, since Obama notified the court **four days after he sent the detainee to sunbathe in Qatar**. Similarly Obama did not provide 30 day notification to the US Congress, which was required under 2014 NDAA, so the two co-equal branches of the US government were not able to stop this egregious act of treason and this transfer which greatly endangered US

National security. Consequently Taliban commanders made statements that this release was equal to gaining 10,000 Taliban fighters.

It is further noteworthy that Obama did not title the document as a release from GITMO, but titled is as a transfer. Further, the name of the detainee was written differently from the name in the caption in the case, which made it difficult to find the document. In the caption the first name of the detainee is Khairulla. In the release, titled as transfer, the first name was divided into two names: "KHAI ULLA'. Moreover, two middle names, which were not in the original caption were incerted: "SAID WALI". So the original name from the caption in the case "Khairulla Khairkhwa" looked completely different "KHAIR ULLA SAID WALI KHAIRKHWA". Plaintiff believes that it was done to obfuscate the record.

Actions by Obama clearly represented TREASON, "giving aid and comfort to the enemy" per 18 US§2381. Shortly after these actions by Obama, greatly encouraged and invigorated jihadists and Taliban fighters took over the airport in Karachi and murdered 12. Five US soldiers were killed reportedly with stinger missile, jihadists groups went into offensive and took over the whole area between central Syria to central Iraq and took over Mosul and Tikrit. This caused fleeing by 500,000 refuges and the jihadist army is now rapidly closing in on the capital of Iraq, Bagdad. Based on all of the above over 4,000 lives of the US soldiers lost in operation "Iraqi Freedom", were lost in vain, not mentioning 68,000 soldiers, who were severely wounded, paralyzed, lost limbs and became disabled for life. Plaintiff believes that exigency of this matter is flagrantly obvious and self explanatory, not requiring further briefing.

This court has in front of it evidence showing that Barack Obama is using a stolen Connecticut Social Security number xxx-xx-4425 of Harry Bounel, which failed E-Verify and SSNVS, when checked under Obama. this court has evidence of Obama' use of other bogus IDs, as well as an act of treason committed by Obama. further refusal by this court to release the aforementioned SS-5 and refusal to forward all of the aforementioned evidence of offenses against the criminal laws of the US to the Federal grand jury, will make this court complicit in aiding and abetting in these offenses, including treason. This court has in front of it Plaintiff's motion to reconsider 18US 3332 (a) It shall be the duty of each such grand jury impaneled within any judicial district to inquire into offenses against the criminal laws of

the United States alleged to have been committed within that district. Such alleged offenses may be brought to the attention of the grand jury by the court or by any attorney appearing on behalf of the United States for the presentation of evidence. Any such attorney receiving information concerning such an alleged offense from any other person shall, if requested by such other person, inform the grand jury of such alleged offense, the identity of such other person, and such attorney's action or recommendation." plaintiff Taitz is seeking expediting of the above motions for reconsideration.

Before: ROGERS and GARLAND, *Circuit Judges*, and
RANDOLPH, *Senior Circuit Judge*.

Opinion for the Court filed by *Senior Circuit Judge*
RANDOLPH.

RANDOLPH, *Senior Circuit Judge*: This is an appeal from the judgment of the district court, Urbina, J., denying Khairulla Khairkhwa's petition for a writ of habeas corpus.

Khairkhwa is a detainee at Guantanamo Bay Naval Base. *Khairkhwa v. Obama*, 793 F. Supp. 2d 1 (D.D.C. 2011). The Authorization for Use of Military Force (AUMF), Pub. L. No. 107-40, 115 Stat. 224 (2001), authorized the President to detain individuals who were "part of" al-Qaeda, the Taliban, or associated forces engaged in hostilities against the United States or its allies. *See, e.g., Al-Bihani v. Obama*, 590 F.3d 866, 872 (D.C. Cir. 2010); *Awad v. Obama*, 608 F.3d 1, 11-12 (D.C. Cir. 2010). The National Defense Authorization Act for Fiscal Year 2012 affirmed the President's authority to detain any "person who was a part of or substantially supported al-Qaeda, the Taliban, or associated forces that are engaged in hostilities against the United States or its coalition partners, including any person who has committed a belligerent act or has directly supported such hostilities in aid of such enemy forces." Pub. L. No. 112-81, § 1021, 125 Stat. 1298, 1562 (2011).

Khairkhwa, an Afghan national, became a senior Taliban official in 1994, several years after Soviet troops withdrew from Afghanistan. The Iranian delegation included the deputy commander of the Iranian Foreign Intelligence Service and the head of the Afghan Department of the Iranian Foreign Intelligence Service. *Id.* at 37. In anticipation of the U.S.-led military operation, the Iranian officials offered military support for the Taliban's defense, including anti-aircraft missiles, other unspecified equipment, and free passage for "Arabs" traveling between Iran and Afghanistan. *Id.* at 37-38. The Taliban delegation also included Abdul Manan Niazi, the governor of Kabul and commander of the Taliban forces who committed atrocities at Mazar-e-Sharif in August 1998. *Id.* at 37.

The district court thought it significant that Khairkhwa was appointed to represent the Taliban in these high-level military meetings. To the court, the evidence showed that Khairkhwa "was entrusted with significant military-related responsibilities at the time of the outbreak of hostilities with the United States

and strongly indicates that he was part of Taliban forces at that time.” *Id.* at 40. The court properly rejected Khairkhwa’s assertion that he was merely a security officer protecting the Taliban delegation. Even if the evidence supported Khairkhwa’s version, which it does not, this would still “demonstrate that he possessed command authority over Taliban forces on the eve of the U.S.-led invasion,” *id.* at 39.

The district court also found that Khairkhwa continued to operate within the formal Taliban command structure after Operation Enduring Freedom began in early October 2001, and provided support to Taliban military forces. *Id.* at 40. Khairkhwa admitted, during a 2002 interrogation, that in early November 2001 he traveled from Herat to the Taliban-controlled Kandahar province in a convoy of vehicles full of weapons and that he turned over the weapons to a local official. *Id.* at 40–41.

Khairkhwa was arrested in Chaman, Pakistan, at the home of Abdul Manan Niazi, the same former Taliban governor who commanded Taliban forces at Mazar-e-Sharif, and who joined Khairkhwa in the October 2001 meeting with Iranian intelligence officials. *Id.* at 44–45. The circumstances of Khairkhwa’s capture, his close ties with Mullah Omar, and the absence of anything showing that he dissociated himself from the Taliban demonstrated that Khairkhwa remained part of the Taliban forces at the time of his capture. *Id.* at 43–45.

Khairkhwa thinks the government had to prove more. By his lights, the government also had to show that he “fought or engaged in armed conflict or hostilities against the United States or its allies” and that if he were released, he would pose a danger to the United States in the future. Pet’r’s Br. 9. The decisions of this court are to the contrary.

In order to detain individuals who were part of the Taliban or al-Qaeda forces, proof that the individuals also actively engaged in combat against the United States and its allies is unnecessary. *Al-Bihani* so decided, 590 F.3d at 872–74, as have many of our other decisions. See, e.g., *Uthman v. Obama*, 637 F.3d 400, 402 (D.C. Cir. 2011); *Al-Adahi v. Obama*, 613 F.3d 1102, 1103 (D.C. Cir. 2010); *Al Odah v. United States*, 611 F.3d 8, 10 (D.C. Cir. 2010); *Barhoumi v. Obama*, 609 F.3d 416, 423, 427 (D.C. Cir. 2010); *Awad*, 608 F.3d at 11–12. Khairkhwa calls the standard set forth in *Al-Bihani* “dictum” because the detainee in that case actually “participated in hostilities.” Pet’r’s Reply Br. 4. If by this he means the detainee fired a shot or detonated an explosive, the distinction is unsupportable on the evidence. *Al-Bihani* did not engage in combat in those terms—he was a cook for forces associated with the Taliban; he carried a firearm but never used it in “hostilities.” See 590 F.3d at 869. Like Khairkhwa, *Al-Bihani* contended that he could be detained only if he had committed “a direct hostile act, such as firing a weapon in combat,” *id.* at 871. In rejecting that contention, the court ruled that *Al-Bihani*’s role as part of forces associated with the Taliban was enough to justify his detention. *Id.* at 872–73. All of our decisions citing the *Al-Bihani* standard are consistent with this reading of the opinion.

Khairkhwa’s argument is in any event untenable. In modern warfare, commanding officers rarely engage in hand-to-hand combat; supporting troops behind the front lines do not confront enemy combatants face to face; supply-line forces, critical to military operations, may never encounter their opposition.

As to Khairkhwa’s other point—that a person may not be detained unless the evidence also shows that he would pose a danger to the United States if released—*Awad* squarely rejected the argument. 608 F.3d at 11. Khairkhwa recognizes this, but

7

insists that *Awad* was wrongly decided. Pet'r's Reply Br. 6. What he fails to recognize is that one three-judge panel of this court may not overrule another three-judge panel. *LaShawn A. v. Barry*, 87 F.3d 1389, 1395 (D.C. Cir. 1996) (en banc).

We find no clear error in the district court's factual determinations. *Awad*, 608 F.3d at 6–7. The evidence recited above establishes that Khairulla Khairkhwa was at least more likely than not a part of the Taliban forces.³ *See id.* at 10–12; *see also Al-Adahi*, 613 F.3d at 1103–05; *Al-Bihani*, 590 F.3d at 872. Accordingly, the district court's denial of Khairkhwa's petition for a writ of habeas corpus is

Affirmed.

³ We have considered and rejected Khairkhwa's other contentions.

Table of Evidence of Fraud and Forgery in Obama's IDs by Attorney Orly Taitz	Obama's claims	Proof of fraud and forgery
1. Forged selective service certificate	In September 2008 2 weeks after Obama was confronted with questions of selective service his SSS application surfaced	According to affidavit of the chief investigator of the special investigations unit of the US Coast Guard (ret) and special agent with the Homeland security Jeffrey Steven Coffman (Exhibit 7), according to sheriff Arpaio Obama's SSS application is a forgery Selective service contains social Security number 042-68-4425, which was never assigned to Obama according to E-Verify and SSNVS
2. Obama's use of a stolen Connecticut Social security number 042-68-4425 which was never assigned to him according to E-Verify and SSNVS	On April 15 2010 Obama posted his tax returns on line and forgot to flatten the PDF file. When the file was opened with Adobe Illustrator it became visible that Obama is using a Connecticut Social security number 042-68-4425.(E 1 Affidavit Felicito Papa) Research of the number showed that it was issued in 1977 to an elderly resident of Connecticut born in 1890.(E4 Affidavit of investigator Albert Hendershot) Search of Obama's SSS application shows him using the same CT SSN, which was never assigned to him	According to former officer of the Elite Scotland Yard anti organized crime and anti communist proliferation unit Neil Sankey, licensed investigator Susan Daniels (Exhibit 5) , former senior deportation officer John Sampson (Exhibit 6), Sheriff Arpaio, investigator Zullo Obama is using a Connecticut Social Security number 042-68-4425 which was never assigned to him according Lexis Nexis, Choice Point, E-Verify (Exhibit 2 affidavit of Linda Jordan and E-Verify report)and SSNVS (Exhibit 3 SSNVS report) According to Exhibit 4, affidavit of Albert Hendershot SSN in question was assigned to Harrison J. Bounel, born in 1890
3. Forged US Postal stamp affixed to Obama's Alleged Selective Service Application	Stamp affixed to Obama's SSS application contains 2 digit year stamp '80'	All US stamps contain four digit year stamp (Exhibit 7, Affidavit of former Chief Investigator of the Special Investigations Unit of the U.S. Coast Guard Jeffrey Stephan Coffman)
4. Obama forged long form birth certificate	Obama's alleged birth certificate contains letter of different fonts and sizes	Letters of different fonts and sizes in Obama's alleged birth certificate is a clear evidence of it being a forgery, as the

		document was alleged to be created in 1961 with a typewriter. It is impossible to create a document with a typewriter and have letters of different sizes and fonts. Type written document has letters of the same sizes and the same font Exhibit 13, 14, 15, 16
5 Obama's alleged birth certificate contains white halo around the letters	None of the published Hawaiian birth certificates contain a halo around words. the only BC with the white halo is Obama's	According to experts Paul Irely, Ivan Zatkowitch and Douglas Vogt white halo around the words is a sign of a computer manipulation Exhibit 13 affidavit of Douglas Vogt, 14, 15 16
Obama's alleged copy of the birth certificate is a compilation of bits and pieces coming from different documents	Obama claims that the document posted on WhiteHouse.gov is a true and correct copy of his original birth certificate	Obama's copy of his alleged genuine original birth certificate represents a computer generated forgery, opens in multiple layers, which were cut and pasted from different documents Exhibit 12 Affidavit of Felicito Papa, Exhibit 13 , 16Affidavit of Douglas Vogt
6. Serial number of Obama's alleged BC is inconsistent with other serial numbers	Serial numbers of twins Susan and Gretchen Nordyke, who were born three days later are lower	Inconsistent serial number is another sign of forgery Exhibit 13
Obama's biography shows him born in Kenya	Obama claims to be born in Hawaii	Obama's biography submitted by Obama to his own publisher Acton -Dystal and kept on line for 16 years, 1991-2007 states that he was born in Kenya. In 2007, right before the beginning of the campaign the bio was deleted Exhibit 11
On March 25, 2010 during the National assembly meeting Minister of Lands of Kenya states that Obama was born in Kenya	Obama claims to be born in Honolulu, HI	James Orenga Minister of Lands of the republic of Kenya states that Obama was born in Kenya Exhibit 10
Lack of any birth certificate for Obama in any hospital in Hawaii	Obama claims to be born in Kapiolani hospital in Honolulu,Hawaii	Exhibit 9, Sworn affidavit of Timothy Lee Adams, Senior Elections Clerk of the City of Honolulu and Honolulu county, attesting to the fact that it was a common knowledge among the

		officials of the county Registrar that there is no birth certificate for Obama in any hospital in Hawaii
7. All immigration records of passengers arriving in Hawaii	Obama claims to be born in HI	Exhibit 18 All of the immigration records of passengers arriving in Honolulu August 1-7 disappeared from NARA (National archives). <u>Further cover-up</u> Upon demands for accounting the label on arrival records from August 7-14 were falsified, "7" was erased and replaced with one to give an impression that missing August 7-14 records are contained in 7-14 page
Forgery of the OCON (official certificate of a candidate for President)	Obama claims to be eligible, Democratic Party of Hawaii falsified the certificate of Eligibility	Democratic Party of Hawaii falsified the official certificate of a candidate, removed the words "Eligible according to the Constitution"
Obama was listed under a different last name in his mother's passport, was removed from his mother's passport due to foreign allegiance	Obama claims to be the Natural Born U.S. Citizen, never lost his citizenship	Exhibit 8, Passport records of Obama's mother, Stanley Ann D. Soetoro, shows Obama under a different name, Soebarkah, shows him crossed out, removed from his mother's passport due to foreign allegiance
In his school records	Inconsistency: Obama claims to be US citizen Claims Obama to be his legal last name Claims to be Christian	Exhibit 17 Obama's School registration #203 Asissi School in Jakarta Indonesia list him as a Citizen of Indonesia His last name is listed as Soetoro (his step father's last name) Religion listed as Muslim

<p>OCON (Official Certificate of a Candidate) issued by the Democratic Party of Hawaii was falsified, words "..legally qualified to serve under the provisions of the United states Constitution" were removed from Obama's OCON in order to let ineligible Obama on the ballot, while it was present in the OCON for John Kerry and Al Gore</p>	<p>Obama claims to be qualified under the provisions of the U.S. constitution</p>	<p>Exhibit 20 OCON (official Certification of a candidate) for Al Gore and John Kerry contain wording: "..legally qualified to serve under the provisions of the United states Constitution". In Obama's OCON aforementioned wording was removed and the only qualification states: "legally qualified to serve under the provisions of the National Democratic Parties balloting"</p>
<p>Evidence of fraud in the application to the to the Illinois Attorneys Bar</p>	<p>In his bar application Obama claimed to have never used any other names</p>	<p>Exhibit 21 Obama's Illinois bar application shows him committing perjury. Bar applications are made under the penalty of perjury. In his application Obama claims that he never used any other names. This is contradictory to his school registration showing him using last name Soetoro and his mother's passport records Exhibit 8 where he is listed under the last name Soebarkah</p>
<p>Modus Operandi and Pattern of fraud extends to Obama's college records</p>	<p>Obama claimed to have been attending Columbia university for two years</p>	<p>Exhibit 22 Barack Obama's college records from Student clearing House show him attending Columbia for less than one year, only 9 month. additionally there is no evidence of him residing anywhere in the US during these missing 15 months. Logical conclusion would be that his trip to Pakistan before Columbia lasted not 1month, as he claims, but 16 months.</p>

COUNTY OF DUVAL)

I, Felicito Papa, am over 18 years old and resident of 7579 Walden Road, Jacksonville, FL 32244 with FL DL #P100-245-45-082-0. I do not suffer from any mental impairment and I competently attest to the following under the penalty of perjury:

1. I am a professional web developer having graduated with a bachelor's degree in IT from ITT Technical Institute in Indianapolis, IN. I have over ten years of experience of in web designs and development and I have often used software such as Adobe Photoshop and Adobe Illustrator.
2. On April 15, 2010, the Whitehouse website, www.whitehouse.gov, released the 2009 Form 1040 of Income Tax Return of President Barack H. Obama:
<http://www.whitehouse.gov/sites/default/files/president-obama-2010-complete-return.pdf>.
3. I downloaded this 65-page pdf file on my computer. I observed that all information about the president's and the first lady's social security numbers were redacted. All blocks or spaces for social security numbers were blank, or "white-out."
4. I submit Exhibit A (attached herewith, page 43 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of Pres. Barack Obama. The space for his social security number is redacted or blank.
5. I submit too Exhibit B (attached herewith, page 49 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama. The space for her social security number is redacted or blank.
6. Then through Adobe Illustrator software, I opened Exhibit A and B and found that these two pdf files have two layers each, not just one layer. When the top layer is turned off or dragged away, the social security numbers of both persons are revealed.
7. I submit Exhibit A1 (attached herewith) Form 709 U.S. Gift Tax Return of Pres. Barack Obama with his social security number revealed. The following information are revealed:

1. Barack Obama's SSN. **042-68-4425**
2. Michelle Obama's SSN 350-60-2302
3. An initial MLO on the side of Form 709
4. A 1/4 inch dark square with notation on it.
5. Preparer's SSN or PIN P00570974
EIN 36-2700600
Phone no. 312/372-0440

8. I submit Exhibit B1 (attached herewith) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama with her social security number revealed. The following information are revealed:

1. Michelle Obama's SSN 350-60-2302
2. Barack Obama's SSN. 042-68-4425
3. Preparer's SSN or PIN P00570974
EIN 36-2700600
Phone-no. 312/372-0440

9. It is apparent that the tax preparer for Forms 709 of Pres. Obama may have forgotten to lock or flatten the covering top layers before posting them on the Internet. I later noticed that after April 15, 2010, the pdf file posted at the White House has been modified. The top layers on President Obama's Income Tax Return have been locked or flattened and could no longer be dragged out. His SSN and his wife's SSN were no longer visible.

FURTHER AFFIANT SAYETH NOT.

EXHIBIT 2

I, Linda Jordan am over 18 years old, do not suffer from any mental impairment, have personal knowledge of the facts listed below and declare under penalty of perjury:

I used the government run E-Verify System to verify the employment eligibility for Barack H Obama (Obama) and it revealed a "Notice of Mismatch" between Obama's name, birth date and Social Security Number (SSN), compared to the information the Social Security Administration has on file.

I saw Obama's Selective Service Registration (SSR) form which was available on the web at www.sss.gov and copied the SSN Obama used on that form. I also read the reports of licensed investigators Neil Sankey, Susan Daniels and the opinion of retired senior deportation officer of the department of Homeland Security John Sampson, that the SSN Obama was using was fraudulent and/or never issued to him.

Between October 2008 and May 2011, I submitted several requests to agencies and people with the legal responsibility and authority to investigate the use of forged documents and election fraud, concerning Obama's birth records and SSN. (attachment A)

To date no one with the legal responsibility and authority has responded to any of my requests.

I read part of the testimony of Marianna LaCanfora before the Committee on Ways and Means Sub Committee on Social Security in the House of Representatives dated April 14th, 2011. She explained that a SSN in conjunction with a proper identity document determine whether a person is authorized to work. LaCanfora said that the E-Verify system run by the government is a free, Internet-based system that allows employers to electronically verify the employment eligibility of their employees. The Immigration Reform and Control Act of 1986 required all employers to verify the identity and employment eligibility of all new employees regardless of citizenship or national origin.

I considered myself to be one of the employers of the President of the United States.

On July 26, 2011, I tried to enroll in the E-Verify System but it required the employer to enter data from their employees I-9 Employment Eligibility Verification Form. I have been unable to locate one for Obama.

On August 17, 2011, I went back on the E-Verify website and saw that there was a "Self-Service" function that was more streamlined and easier to use when checking an employees eligibility. I entered the name Barack H Obama, birth date August 4, 1961 and SSN 042-68-4425. This data was entered correctly. The report I got back from the SSA included a "Notice of Mismatch with Social Security Administration (SSA) Records". (attachment B)

Dear Ms. Taitz.

I have been monitoring your efforts at a distance reference the eligibility of Barack Obama to serve as POTUS. I see that you are now filing suit reference his many SSNs.

I have a copy of Obama's selective service card with the SSN affixed. I, as a small business owner, have access to the Social Security Number Verification System. As a result, I checked the SSNVS for the SSN Obama used for registering with Selective Service. The SSNVS search resulted in a report sheet that states that number Obama used to register for Selective Service was never issued.

Let me be direct - I have not agreed with many of your tactics in this endeavor. However, I have continued to follow your efforts to see where there may be synergy and this is one.

Therefore, if you think the documents will be helpful, please let me know and I will send you the PDF files for both the Selective Service Card and the SSNVS report that states that SSN was never issued.

Sincerely

Greg Hollister

Affidavit of Albert Hendershot

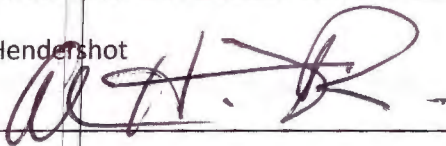

I, Albert Hendershot am a professional debt collector, I am over 18 years old, I have personal knowledge of the facts provided herein and I will be able to competently testify in court of the facts as listed in this affidavit:

1. I personally performed a search with Merlin Information Systems and <http://www.acxiom.com/identity-solutions> database which is routinely used by professional debt collectors
2. I found that both Barack Obama and Harry J. Bounel are listed as holders of the same Connecticut Social Security number 042-68-4425 and resided at the same address 5046 S. Greenwood Ave, Chicago , Illinois, Exhibit 1 attached herein is the true and correct copy of the printout from <http://www.acxiom.com/identity-solutions> database. Exhibit 2 attached herein is the (FOIA) Freedom of Information Act request which was completed for numident 042-68-4425 with Harry Bounel as the name associated with said numident 042-68-4425. Exhibit 2 clearly states that the aforementioned numident belongs to Harry Bounel and not Barack H Obama as detailed in the response from the Social Security Administration dated November 2012.
3. Michelle Obama is listed as a relative of both Harrison (Harry) J. Bounel and Barack Obama.
4. <http://www.acxiom.com/identity-solutions> database shows that the last change in the record of Harry J. Bounel Social security number 042-68-4425 was performed by Michelle Obama in and around November 2009, who is listed as a relative of Harry J. Bounel.

I attest under the penalty of perjury that all of the foregoing is true and correct to the best of my knowledge and informed belief.

Affiant further says naught.

November 16, 2012

This letter is in response to your Internet request for a Numident for Mr. Harry Bounel.

The Privacy Act of 1974 (5 U.S.C. § 552a) restricts disclosure of the information you requested. The only exception that might permit us to disclose these records to you without consent would be the exception for disclosure required by the Freedom of Information Act (FOIA) (5 U.S.C. § 552).

When we receive a request from a member of the public to release personal information about another individual from our records, we must balance the individual's privacy interest in withholding the information against the public interest in disclosing the information. We must determine whether disclosure would affect a personal privacy interest. There is clearly a substantial privacy interest in the personal details furnished to the Government. The only public interest we must consider is if the information sought would shed light on the way an agency performs its statutory duties. We may not consider the identity of the requester or the purpose for requesting the information. While there clearly is a public interest in knowing how the Social Security Administration administers the Social Security Act, disclosing records containing personal information about named individuals would not shed light on how the agency performs its statutory duties. Therefore, disclosing this information would be a clearly unwarranted invasion of personal privacy, and the FOIA (5 U.S.C. § 552(b)(6)) does not require disclosure.

If you disagree with this decision, you may request a review. Mail your appeal within 30 days after you receive this letter to the Social Security Administration, Office of Privacy and Disclosure, 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, Maryland 21235. Mark the envelope "Freedom of Information Appeal."

Civil Action:

Affidavit of John N. Sampson

1. My name is John N. Sampson. I am over 18 years of age, am of sound mind and free of any mental disease or psychological impairment of any kind or condition.
2. I am a citizen of the United States of America, I am 58 years old, and was born in Jackson Heights, Queens, New York and raised in the State of New York.
3. I am the Chief Executive Officer, Owner, and Operator, of CSI Consulting and Investigations LLC, a consulting and private investigative firm registered with the Secretary of State of Colorado as a Limited Liability Company pursuant to the laws of the State of Colorado. The company was formed in the State of Colorado on January 2, 2009 and is in good standing with the Secretary of State of Colorado. Colorado does not have any licensing requirements or provisions for private investigators.
4. I have personal knowledge of all of the facts and circumstances described herein below and will testify in open court to all of the same.
5. On, or about, November 16, 2009, Orly Taitz, the attorney who is prosecuting the above captioned matter, requested that I access LocatePlus, a commercial database that I subscribe to,

which is located in the State of Massachusetts, and with whom I have a user agreement, and requested that I obtain any and all legally available information relating to U.S. Social Security number 042-68-4425.

6. On, or about, November 16, 2009, pursuant to the aforementioned request by Orly Taitz, I requested from LocatePlus, any and all legally obtainable information relating to SSN 042-68-4425.

7. As a result of this inquiry, I came to learn that Plaintiff Barrack Hussein Obama, has used this Social Security number since at least from June 1, 1986 to present. A detailed report was generated showing family relationships, past residence history, real property owned by Mr. Obama, and other detailed information to include, but not limited to, driver's license information, telephone numbers associated with Mr. Obama, and people possibly related to Mr. Obama.

8. This information was obtained pursuant to a legitimate and permissible search under the user agreement I have with LocatePlus. This request was made in connection with a pending civil action, which is one of the expressed permissible purposes to conduct such an inquiry through LocatePlus, as well as a possible criminal violation of United States law, and possible fraud.

9. As a result of this search and the results that were obtained, on or about November 17, 2009, I accessed a public access database named "SSN Validator" at <http://www.ssnvalidator.com/>. The information this site provided me was that SSN 042-68-4425 was issued by the Social Security Administration based upon an application filed for a Social Security Number in the State of Connecticut between the years 1976 and 1977.

10. Based upon information and belief, Plaintiff Barrack Hussein Obama has never had a direct connection with the State of Connecticut and has never claimed residency in the State of Connecticut.

11. I am a recently retired Senior Deportation Officer of the United States Department of Homeland Security, Immigration and Customs Enforcement (DHS ICE) having retired on August 30, 2008.

12. As a result of my formal training as an immigration officer, conducted at the Federal Law Enforcement Training Center (FLETC), located in Brunswick, Georgia, and advanced training received at FLETC in Artesia, New Mexico and elsewhere during my 27 year career, as well as my professional experience spanning 27 years of federal law enforcement, it is my knowledge and belief that Social Security Numbers can only be applied for in the State in which the applicant habitually resides and has their official residence.

13. During the period between January 1, 1976 and December 31, 1977 inclusive, it is my knowledge and belief that Barrack Hussein Obama habitually resided solely within the State of Hawaii and was between the ages of 14 and 16 during the time period stated above. During that period of time, based upon information and belief, Mr. Obama resided with his maternal grandparents, Madelyn and Stanley Dunham in the State of Hawaii.

14. On or about February 2, 2010, I received an email from a person identifying himself as "Jim Russo", Operations Manager for LocatePlus, 100 Cummings Center, Suite 235M, Beverly, MA, 01915, requesting that I contact him regarding my account.

15. On or about February 3, 2010, I telephoned Mr. Russo at 978-921-2727, extension 319 and inquired as to why he wished to discuss my account. At that time, Mr. Russo stated that LocatePlus had noticed I had conducted what he called a "celebrity political figure" inquiry and wanted to know why I had done so and which permissible reason pursuant to the user agreement I was under with LocatePlus pertained to my making my inquiry.

16. I told Mr. Russo that I was a private investigator in the State of Colorado, that I had been tasked by Dr. Orly Taitz, an attorney in California who was prosecuting a civil suit involving Mr. Obama and that I had emails and other documentation that I could send him verifying that fact. Mr. Russo stated that he would appreciate it if I would send that information to him which I did on or about February 3, 2010. He assured me at that time that if I were to provide this information to him it would resolve any "issues" LocatePlus may have regarding my inquiry into a "political celebrity".

17. In the email I sent to Mr. Russo, I offered to have Dr. Taitz send him an email as well confirming the fact that I had been tasked by her to conduct this inquiry pursuant to a pending civil suit in the United States District Court for the Central District of California. He stated that he would like to receive such an email.

18. On or about February 4, 2010, Dr. Orly Taitz, at my request, sent Mr. Russo an email indicating that she had requested me, in connection with the pending civil suit in California against Mr. Obama, to conduct research through the commercial databases I habitually use as a private investigator, related to SSN 042-68-4425.

19. Numerous emails have been exchanged between me and Mr. Russo due to the fact that as of February 2, 2010, my account with LocatePlus has been frozen and I can no longer access this database despite the fact that I responded to their inquiries and have provided evidence to them indicating that I had followed the user agreement we have entered into. I have repeatedly asked that my account be unlocked, unfrozen, and made available to me.

20. Despite all of this, as of March 8, 2010, my account remains frozen and I am unable to conduct legitimate, legal database searches in connection with my business. As a result, I am being financially harmed, unable to conduct legal, lawful, legitimate investigations pursuant to law, and unable to provide to my clients, the services they have contracted with me to provide, thereby subjecting me to possible civil litigation for failing to provide contracted services.

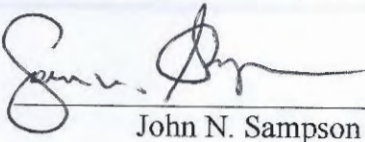

21. Based upon information and belief, misuse of a Social Security number is a direct violation of Title 42 United States Code, Section 408(a)(7)(B), which is a federal felony punishable under Title 18 United States Code by fine or imprisonment of up to five years, or both.

22. I swear under the penalties of perjury that all the facts stated and circumstances described above are true and correct to the best of my knowledge and belief.

23. I have not been compensated for making this affidavit.

Further, Affiant sayeth not.

Signed and executed in Aurora, Colorado on this 8 day of March, 2010.

AFFIDAVIT

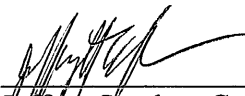

Jeffery Stephen Coffman, being duly sworn, on oath deposes and says:

1. I am a resident of Texas. The information contained in this affidavit is based on my personal knowledge.
2. I am a licensed Private Investigator (licensed A620963) in the State of Texas.
3. I am a retired Resident Agent in Charge/Special Agent from the Department of Homeland Security having retired after 20 years during June 2007.
4. I am a retired Chief Investigator with the United States Coast Guard Investigative Service (Reserve) having retired after 22 years during March 2010.
5. I was formerly an Investigator with the Office of the Attorney General with the State of Texas serving from August 2008 until I quit during September 2009.
6. On my own and not as an Investigator or Special Agent with any state or federal agency I looked into circumstances surrounding then U.S. Senator Barack Obama's Selective Service registration.
7. I have utilized the Selective Service's "Check A Registration" online function (www.sss.gov) numerous times to verify whether a required registration was properly completed.
8. On or about February 13, 2008, I sent an email to information@sss.gov asking why Senator Obama's registration didn't show up when queried on the Selective Service website (www.sss.gov).
9. On the same day (February 13, 2008) I received an email from information@sss.gov stating "Sir: There may be an error in his file or many other reasons why his registration cannot be confirmed on-line. However, I did confirm with our Data Management Center that he is, indeed, registered with the Selective Service System, in compliance with Federal law. Sincerely, Janice L. Hughes/SSS".
10. On September 7, 2008 I viewed a televised interview in which then Senator Obama stated that he registered for the Selective Service when he graduated from high school. I recalled that Senator Obama graduated from high school in 1979 and the Selective Service registration requirements were not reinstated until 1980.
11. I submitted a Freedom Of Information Act (FOIA) to the Selective Service System for Senator Obama's Selective Service registration. I received a copy of a Selective Service registration in the name of Barack Hussein Obama and a copy of a computer screen print out with a date of 09/09/08.
12. Reviewing these copies I noted several areas of concern. For example, I noted that on the registration copy the signature of the registrant was dated July 30, 1980, but the United States Postal cancellation stamp indicating date received was dated the previous day of July 29, 80. I also noted that the "No ID" block was checked indicating that the registrant did not present an ID when the registration

was said to have been presented to the postal clerk. The most outstanding aspect of the registration card was that the aforementioned U.S. Postal Cancellation Stamp had only a two digit year instead of the usual four digit year.

13. During my active military service with the US Army from 1973 to 1977, I served as a collateral duty as one of my unit's mail clerk. During that service I was familiar with US Postal regulations and procedures. It was my understanding that the US Postal Cancellation stamp was a four digit year and not a two digit year. I also knew that the day, month, and year of that model postal cancellation stamp are removable inserts that the postal clerk changes as appropriate. I have never seen a two digit insert for that model postal cancellation stamp.
14. Over several weeks, I researched the issue on the internet attempting to find any other incident where that model cancellation stamp had a two digit year instead of the usual four digit year. I was unable to find any other instance where that model postal cancellation stamp had a two digit year instead of the usual four digit year.
15. Using my training and experiences, I analyzed the image of the postal cancellation stamp on the copy of the registration. It is my conclusion that a four digit year insert ending in "08" was modified by cutting off the first two digits and reinserting the "08" upside down into the postal cancellation stamp to indicate a year of "80". The only four digit year ending in "08" I felt that would be reasonably available would be a "2008" year insert.
16. On the copy of the computer screen printout received under the FOIA I noticed that there was a line marked DLN and the number of "8089 708 0632". I also noted that on the copy of the Selective Service registration card there was a similar number in the upper right hand corner. This number was "0897080632". The number on the registration card appeared to be a "Bates" type print that automatically changes with each impression.
17. The differences between the DLN number on the computer screen printout and the registration card printout appears to be the addition of the digit "8". I know of no reason for the addition of the "8" in the DLN.
18. Based on my observations, research, experience and training, it is my belief that the Selective Service registration card I received under the Freedom Of Information Act request under the name of Barack Obama has been altered.

Dear Ms. Barnett:

I refer to your request letter we received on January 2, 2009 under the Freedom of Information Act (Title 5 USC Section 552) for a copy of documents relating to Stanley Ann Dunham. We initiated a search of the Office of Passport Services.

The search of the records of the Office of Passport Services has been completed and has resulted in the retrieval of six documents that are responsive to your request. These documents have been reviewed and the results are set forth in the accompanying letter (with enclosures) of Jonathan M. Rolbin, Director.

We have now completed the processing of your request. If you have any questions with respect to our handling of your case, you may write to the Office of Information Programs and Services, SA-2, Department of State, Washington, D.C. 20522-8100. Please be sure to refer to the case number shown above in all correspondence about this case.

We hope that the Department has been of service to you in this matter.

Sincerely,

Dear Ms. Barnett:

The following is in response to your request to the Department of State dated January 2, 2009, requesting the release of material under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

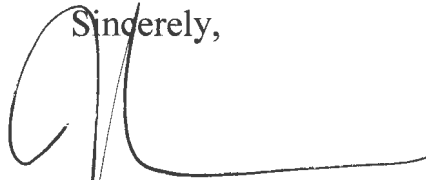

We have completed a search for records responsive to your request. The search resulted in the retrieval of six documents that are responsive to your request. After careful review of these documents, we have determined that that all six documents may be released in full.

We did not locate a 1965 passport application referenced in an application for amendment of passport that is included in the released documents. Many passport applications and other non-vital records from that period were destroyed during the 1980s in accordance with guidance from the General Services Administration.

Passport records typically consist of applications for United States passports and supporting evidence of United States citizenship. Passport records do not include evidence of travel such as entrance/exit stamps, visas, residence permits, etc. since this information is entered into the passport book after issuance.

This completes the processing of your request.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. Rolbin', written over the word 'Sincerely,'.

AFFIDAVIT

In the State of Kentucky, County of Warren, this affiant being duly sworn, deposes and says that he is Timothy Lee Adams, residing at 1132 Fairview Avenue, Apt. F, Bowling Green, KY 42101 and that the statements below are true concerning his employment at the City and County of Honolulu Elections Division in Honolulu, Hawaii:

1. I was employed at the City and County of Honolulu Elections Division from May 2008 through September 2008.
2. My position at the City and County of Honolulu Elections Division was Senior Elections Clerk.
3. My responsibilities were to oversee the activities of the Absentee Ballot Office.
4. During the course of my employment, I became aware that many requests were being made to the City and County of Honolulu Elections Division, the Hawaii Office of Elections, and the Hawaii Department of Health from around the country to obtain a copy of then-Senator Barack Obama's long-form, hospital-generated birth certificate.
5. Senior officers in the City and County of Honolulu Elections Division told me on multiple occasions that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama in the Hawaii Department of Health and there was no record that any such document had ever been on file in the Hawaii Department of Health or any other branch or department of the Hawaii government.
6. Senior officers in the City and County of Honolulu Elections Division further told me on multiple occasions that Hawaii State government officials had made inquiries about Senator Obama's birth records to officials at Queens Medical Center and Kapi'olani Medical Center in Honolulu and that neither hospital had any record of Senator Obama having been born there, even though Governor Abercrombie has asserted and various Hawaii government officials continue to assert Barack Obama, Jr. was born at Kapi'olani Medical Center on August 4, 1961.
7. During the course of my employment, I came to understand that for political reasons, various officials in the government of Hawaii, including then-Governor Linda Lingle and various officials of the Hawaii Department of Health, including Dr. Chiyome Fukino, the director of the Hawaii Department of Health, were making representations that Senator Obama was born in Hawaii, even though no government official in Hawaii could find a long-form birth certificate for Senator Obama that had been issued by a Hawaii hospital at the time of his birth.
8. During the course of my employment, I was told by senior officers in the City and County of Honolulu Elections Division to stop inquiring about Senator Obama's Hawaii birth records, even though it was common knowledge among my fellow employees that no Hawaii long-form, hospital generated birth certificate existed for Senator Obama.

In witness whereof he has hereto set his hand and seal.

NATIONAL ASSEMBLY

OFFICIAL REPORT

Thursday, 25th March, 2010

The House met at 2.30 p.m.

[Mr. Speaker in the Chair]

PRAYERS

PETITION

Dr. Khalwale: Mr. Speaker, Sir, I stand here to make a petition on behalf of Kiborowa squatters who are a group of squatters from Trans Nzoia District under an organization called Kiborowa Squatters Alliance. The squatters reside in the rural and peri-urban slums within Trans Nzoia and like our forefathers, remain landless and living under deplorable conditions. Some of those squatters are temporary labourers on the former colonial settler farms now popularly called Agricultural Development Corporation (ADC) farms. Our girls and women are raped and forced into prostitution and early marriages, occasioning high instances of HIV/AIDS and gender biased violence. There are high poverty levels leading to early school dropouts and childhood labour. Despite those squatters making several presentations to the Government with assurances from district commissioners, permanent secretaries and Ministers for Land and Settlement since Independence, our people have yet to see any positive action. We are, therefore, praying through this petition for your humble intervention as a House, so that the Government of the Republic of Kenya may immediately settle all the squatters on the following ADC farms: Sabwani, Sekhendu and Olingatongo ADC farms. We are also praying that the Government restrains those Members of Parliament who are inciting members from non-squatter communities to invade those farms.

Mr. Speaker: Order, Dr. Khalwale! You caught my eye to present a petition, but I am in doubt as to whether or not you have, in fact, complied with Standing Order No.204. At least, I have no indication from the Clerk of the National Assembly, which I normally have as a matter of practice, that you have complied with Standing Order No.204. Can you satisfy me that you have done so?

Dr. Khalwale: Mr. Speaker, Sir, this petition was presented to the Office of the Clerk. He went through it and marked it to the Speaker of the National Assembly. The Office of the Speaker of the National Assembly marked it to Mr. Ndombi who is in the legal arm of Parliament. Mr. Ndombi invited me to his office. We went through this petition and I am glad to confirm that we have complied to the letter, to the requirements of that Standing Order.

Mr. Speaker: Can you, please, let me have a look at the petition to be satisfied that those steps have been taken?

Dr. Khalwale: Mr. Speaker, Sir, after I conclude or before?

must take the oath of office or rather the oath of solemn affirmation and an oath of allegiance. These oaths are set out on pages 185, 186 and 187. The President of the Republic, the Deputy President and the Cabinet Secretaries and the Members of Parliament are required to subscribe to these oaths before assuming office. In this affirmation oath, they swear to defend the Constitution and to govern in accordance with the spirit and letter of the Constitution. Many times, it is those who have taken the oath to defend and protect the Constitution who go against the very Constitution to corrupt the governing of the country. So, constitutions must bide rulers if they are documents which will last and bring about good governance.

Mr. Deputy Speaker, Sir, in making this Constitution, we must understand what is the problem that we want to deal with. Why is it necessary for us to have a new Constitution? There is a time when in the struggle in the streets, people were fond of shouting and saying: "Moi must go!" That was the clarion call. But we have realized that even as Moi went, this country is still nearly in the same situation that it was.

Hon. Member: Worse!

The Minister for Lands (Mr. Orengo): Somebody is saying worse. I can see it is my chairman and I cannot contradict him.

Even with those shouts that filled the nation all over that "Moi must go," we are still in nearly the same situation as we were in 1963 onwards. Hon. Ngilu is also reminding me that there was a prejudiced Christian song where we used to sing: "*Yote yanawezekana bila Moi!*" We thought that individuals by themselves can make a change and that our country can become a better place. In designing a Constitution, we must know the problem that we want to resolve. It is only by knowing the problem that we can design the Constitution that will stand the test of time. It is only by knowing the conflicts within us and how to address them that we can design a Constitution that will last for many years. In this history, there is a time when we were almost attracted to leave alone the pursuit of change through peaceful means and even imagine that we could pursue change through arms struggle. As Malcolm asked: "Is it the ballot or the bullet?" In the Kenyan tradition, other than the struggles that took place before 1963, we had decided that we will resolve conflicts, including the constitutional ones, through the ballot and that will be signified by the referendum that the people will take part in, in order to enact this new Constitution.

Mr. Deputy Speaker, Sir, we made a great achievement. This document, in other countries comes by way of revolution; by way of people shedding blood. We like citing the American Constitution, which came through struggle and a revolution. Even the French Revolution or in recent history, in South Africa, their Constitution was achieved through struggle and violence. But we are lucky here in Kenya that we are reaching this great moment, choosing the ballot rather than the bullet. And by coincidence of history, the Lancaster arrangement in 1962 and 1963 were made possible when there was a Coalition Government. I do not know whether some of you remember that. That the last phase of those discussions in Lancaster took place when both Jomo Kenyatta and Ronald Ngala were Chief Ministers in the same Government. So, it was a Grand Coalition Government like the one that we have today. So, to the extent that the Accord has made it possible for us to come together to reach this historical settlement, it is also a great achievement.

So, I want to say that this document in its entirety – I am not saying that it is perfect – but it is better than anything that we have had before, and I commend it to this Parliament and the nation. But in saying that, without leadership, however good the document is, we need men and women who will be guided by the values contained in this document. If we do not live by the values and principles contained in this Constitution, all that is contained in this Constitution will be of no significance. This is because the unmaking of Kenya began by disregard and non-compliance of the law. We ended up in a dictatorship that we had to fight for so many years.

Mr. Deputy Speaker, Sir, I have noticed that other than what my learned friend, hon. Kajwang, referred to in his contribution, about the sovereign power of the people, you will notice in the chapter dealing with the Executive, that unlike the present Constitution, the Executive authority of the President and Cabinet Secretary is derived from the people, which is quite unlike the current situation. If I can compare it with what was happening about ten to 15 years ago because the law has not changed significantly, there was a time that we were told that even to imagine or encompass the death of a President was treason. I know that many Members of Parliament who are my colleagues here were taken away and detained on the basis that they encompassed and imagined the death of the “sovereign”. So, we have gone through great times and this is, therefore, a historical moment.

Mr. Deputy Speaker, Sir, I want to end this contribution by saying that the most important chapter in this Constitution is about devolution. Without devolution, I can tell you, we are back to square one, because this is a presidential system. I want to be corrected in another 20 or 30 years that if we do not have devolution, the Presidency we have created is even more powerful than the current President. This is because the current President sits in the Cabinet with elected Members of Parliament. He derives membership of his Cabinet from this Parliament. He sits in Cabinet with people who relate to the people directly. This is a President who is not a Member of the Legislature. So, the only way that we can check this Presidency is through devolution. Any system – even monarchical systems – where there is a diffusion and de-concentration of power, be it in Old Germany or the Anglo Saxons, where there was devolution, you could see that not only the promises of liberty but also development could be achieved. I assure you that what we are even trying to do through the Constituencies Development Fund (CDF) by devolving funds is not re-inventing the wheel. There was mechanism and systems for taking funds to the districts in various programmes but there was no legal and lawful framework for accountability and representation at the lowest level. So, the CDF has made a little bit more progress than the District Commissioners (DCs) who were managing large funds but had no accountability or there was no system for interrogating them.

Mr. Deputy Speaker, Sir, if we are creating regions or counties on the basis of ethnicity, you have missed the point about devolution. If we want to live in ethnic cocoons, devolution will not resolve our problems. Even a Member of Parliament said yesterday that Kenya is still a tribal country even as we say that we are a unitary State. Devolution is giving the promises of better governance because you are taking the administration, accountability and resources to the people. If you look at Nairobi today, the Maasai or Kikuyus can claim Nairobi today, but times have changed. Nairobi now is a metropolitan City. In another ten years, Mandera also will be a metropolitan city. So,

the way to look at devolution is about governance. If at all we take this Constitution without looking at the elements of devolution properly, then I am afraid we have missed the boat. We should be very courageous and brave because in 1963, resources were going to the regions. It was not by changing the Constitution that the regions went but by starving the regions of funds and even the power to tax the regions. That is how the regions were killed. But when the regions were working, even hon. Ngala was feeling better and safer as the president of the Coast region rather than being a Member of Parliament here.

The other thing that we are addressing through devolution is exclusion. What has made us suffer as a nation is exclusion. Once people feel excluded, even when you want to employ a policeman or constable or you want to build a dispensary, it must come from the centre. In the colonial days, these things were being done on the ground and they could give bursaries and build roads. I commend devolution. Those who fear devolution are living in the past. They are being guided by their ethnic consideration and objectives. They are living in the past. If America was living in a situation where they feared ethnicity and did not see itself as a multiparty state or nation, how could a young man born here in Kenya, who is not even a native American, become the President of America? It is because they did away with exclusion. What has killed us here is exclusion; that once Mr. Orenge is President, I know of no other place than Ugenya. That is why we were fighting against these many Presidencies in the past. I hope that Kenya will come of age. This country must come of age. People want freedom and nations want liberation, but countries want independence.

I beg to support.

Prof. Kamar: Thank you, Mr. Deputy Speaker, Sir, for giving me the opportunity to contribute to this historic Motion. I would like to support it with amendments and I will be mentioning which ones.

Mr. Deputy Speaker, Sir, allow me, first, to congratulate those who have participated in the process of Constitution-making in this country. I want to recognize the veterans – the Orengeos and Imanyaras – past and present. I also want to remember to recognize the Bomas group of delegates that gave us the first Draft (2004). I also want to remember the Committee of Experts (CoE) and our own Parliamentary Select Committee. These people have done a commendable job. The Constitution making process has been very long and tedious. Sometimes it has been acrimonious and tempers have gone up and down. But all in all, the process has brought us this far and we must thank God for that.

Mr. Deputy Speaker, Sir, it is instructive to note that while it has taken a very long time, there are some areas that have consistently remained in all the drafts that we have today. As we consider that, we are reminded of why Kenyans wanted to have a Constitution, to begin with. In the preamble, there is a statement that says: “We, the people of Kenya adopt, enact and give to ourselves and our future generation this Constitution.”

Mr. Deputy Speaker, Sir, we must ensure that Kenyans get a new Constitution that will serve them and the future generations. How do we ensure this? We must ensure this by ensuring that the Proposed Constitution is good for all, fair to all and serves all. This may require the spirit of give and take, but it must all be inclusive and non exclusive. The eyes of the nation are focused on this House. We must rise to the occasion

Note from Senior Management:

Andrew Breitbart was never a "Birther," and Breitbart News is a site that has never advocated the narrative of "Birtherism." In fact, Andrew believed, as we do, that President Barack Obama was born in Honolulu, Hawaii, on August 4, 1961.

Yet Andrew also believed that the complicit mainstream media had refused to examine President Obama's ideological past, or the carefully crafted persona he and his advisers had constructed for him.

It is for that reason that we launched "The Vetting," an ongoing series in which we explore the ideological background of President Obama (and other presidential candidates)—not to re-litigate 2008, but because ideas and actions have consequences.

It is also in that spirit that we discovered, and now present, the booklet described below—one that includes a marketing pitch for a forthcoming book by a then-goung, otherwise unknown former president of the Harvard Law Review.

It is evidence—not of the President's foreign origin, but that Barack Obama's public persona has perhaps been presented differently at different times.

'THE HOPE AND THE CHANGE'

Writer/Director Stephen K. Bannon, former Democrat pollster Pat Caddell and I were interviewed by Hannity about the film he called the best documentary he has ever seen. During the one hour special, viewers saw exclusive clips from the film and heard several members of the 40 person cast go into greater detail about why they've given up on Obama.

Breitbart News has obtained a promotional booklet produced in 1991 by Barack Obama's then-literary agency, Acton & Dystel, which touts Obama as "born in Kenya and raised in Indonesia and Hawaii."

The booklet, which was distributed to "business colleagues" in the publishing industry, includes a brief biography of Obama among the biographies of eighty-nine other authors represented by Acton & Dystel.

It also promotes Obama's anticipated first book, *Journeys in Black and White*--which Obama abandoned (<http://www.gq.com/news-politics/politics/200911/barack-obama-writing-books-writer-robert-draper?printable=true>), later publishing *Dreams from My Father* instead.

Obama's biography in the booklet is as follows (image and text below):

Barack Obama

Barack Obama, the first African-American president of the Harvard Law Review, was born in Kenya and raised in Indonesia and Hawaii. The son of an American anthropologist and a Kenyan finance minister, he attended Columbia University and worked as a financial journalist and editor for Business International Corporation. He served as project coordinator in Harlem for the New York Public Interest Research Group, and was Executive Director of the Developing Communities Project in Chicago's South Side. His commitment to social and racial issues will be evident in his first book, *Journeys in Black and White*.

The booklet, which is thirty-six pages long, is printed in blue ink (and, on the cover, silver/grey ink), using offset lithography. It purports to celebrate the fifteenth anniversary of Acton & Dystel, which was founded in 1976.

Front cover (inside)

Jay Acton no longer represents Obama. However, Jane Dystel still lists (<http://www.dystel.com/client-list/#0>) Obama as a client on her agency's website.

According to the booklet itself, the text was edited by Miriam Goderich, who has since become Dystel's partner at Dystel & Goderich (<http://www.dystel.com/about/>), an agency founded in 1994. Breitbart News attempted to reach Goderich by telephone

several times over several days. Her calls are screened by an automated service that requires callers to state their name and company, which we did. She never answered.

The design of the booklet was undertaken by Richard Bellsey, who has since closed his business. Bellsey, reached by telephone, could not recall the exact details of the booklet, but told Breitbart News that it "sounds like one of our jobs, like I did for [Acton & Dystel] twenty years ago or more."

In 1977, Jane became the publisher of the World Almanac, and founded World Almanac Publications, now known as Placard Books. The parade of authors alongside Obama in the booklet includes politicians, such as former Speaker of the House Tip O'Neil; sports legends, such as Joe Montana and Kareem Abdul-Jabbar; and numerous Hollywood celebrities.

The reverse side of the page that features Barack Obama includes former Green Party presidential candidate Ralph Nader and early-1990s "boy band" pop sensation New Kids On The Block.

Acton, who spoke to Breitbart News by telephone, confirmed precise details of the booklet and said that it cost the agency tens of thousands of dollars to produce.

He indicated that while "almost nobody" wrote his or her own biography, the non-athletes in the booklet, whom "the agents deal [t] with on a daily basis," were "probably" approached to approve the text as presented.

Dystel did not respond to numerous requests for comment, via email and telephone. Her assistant told Breitbart News that Dystel "does not answer questions about Obama."

The errant Obama biography in the Acton & Dystel booklet does not contradict the authenticity of Obama's birth certificate. Moreover, several contemporaneous accounts (<http://ironicsurrealism.com/2012/03/14/obama-1990-interview-were-going-to-reshape-mean-spirited-america/>) of Obama's background describe Obama as having been born in Hawaii (<http://www.nytimes.com/1990/02/06/us/first-black-elected-to-head-harvard-s-law-review.html>).

The biography does, however, fit a pattern in which Obama--or the people representing and supporting him--manipulate his public persona.

David Maraniss's forthcoming biography of Obama has reportedly confirmed (<http://www.vanityfair.com/politics/2012/06/young-barack-obama-in-love-david-maraniss>), for example, that a girlfriend Obama described in *Dreams from My Father* was, in fact, an amalgam of several separate individuals.

In addition, Obama and his handlers have a history of redefining his identity when expedient. In March 2008, for example, he famously declared (http://www.huffingtonpost.com/2008/03/18/obama-race-speech-read-th_n_92077.html): "I can no more disown [Jeremiah Wright] than I can disown the black community. I can no more disown him than I can my white grandmother."

Affidavit

I, Douglas B. Vogt, am over 18 years old, do not suffer from any mental impairment, have personal knowledge in the following and attest under penalty of perjury that I have knowledge and expertise in documents, imaging, scanners and document imaging programs. Based on my knowledge and expertise the following is true and correct.

The reason I have issued this affidavit and notified the FBI and other government officials is because I am compelled to because of Federal Statute Title 18, Part 1, Chapter 1 Section 4: "Misprision of felony; Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both." Since I am the one who positively identified Obama's Certificate of Live Birth, presented to the American public on April 27, 2011, as a forgery it was my obligation to report it.

My Credentials

I have a unique background that enables me to analyze this document in a competent, detailed, and extensive manner. I owned a typesetting company (Nova Typesetting) for eleven years, and thus have extensive knowledge and experience in type and form design. I have owned Archive Index Systems since 1993, a company that sells a wide selection of document scanners worldwide, and which also developed and sold document imaging software (TheRepository). Additionally, I have an extensive knowledge of how scanners function and their capabilities. I have also sold other document imaging programs, such as Laser Fiche, Liberty and Alchemy. I have sold and installed document imaging systems in city and county governments, and thus have extensive knowledge of municipal and county document imaging programs and procedures, including the design and implementation of such programs. Additionally, I have a good working knowledge of Adobe Photoshop and Illustrator. These factors will be crucial in understanding what has occurred with Obama's Certificate of Live Birth.

What I Discovered about Obama's Certificate of Live Birth and why it is a Forgery.

What the Obama administration released is a PDF image that they are trying to pass off as a Certificate Live Birth Long Form printed on green security paper by the County Health Department in Hawaii. The form is a created forgery for the following reasons.

Figure 1. Tiff image of the Obama's Certificate of Live Birth dated August 8, 1961, presented on TV 4/27/2011.

Figure 2. Another Person's microfilmed Certificate of Live Birth dated August 11, 1961.

1. Curved and non-curved type. The image we are looking at was scanned in grayscale and some part in binary which cannot be on the same image. The reason I know this is because of the shadowing along the gutter (left-hand side) is produced by scanning in grayscale. It also means that the county employee, who did the original scanning of all the forms, did not take the individual pages out of the post binders. The result is that all the pages in that book display a parallax distorted image of the lines and type. They curve and drop down to the left. If you look at line 2 (see Figure 3) on the form that says *Sex* you will notice the letters drop down one pixel but the typed word *Male* does not. Also notice the line just below *Male* drops down 3 pixels.

Figure 3. Line 2 of the form. Baseline differences.

The second incident of this parallax problem is seen in line 6c *Name of Hospital or Institution* (see Figure 4). The word *Name* drops down 2 pixels, but the typed hospital name, *Kapiolani*, does not drop down at all, and again the line just below drops down 2 pixels, but not the name *Kapiolani*.

Figure 4. Line 6c at 500%. The typewriter name of the hospital does not drop down 2 pixels.

The conclusion you must come to is that the typed in form was superimposed over an existing original Certificate of Live Birth form. In fact, since I found some of the form headings scanned in as binary and grayscale, the form itself is a composite but the person who created it did not flatten the image of the blank form and save it as one file before they started placing the typewriter text on the composite form. The individual(s) who perpetrated this forgery could not evidently find a blank form in the clerks imaging database, so they were forced to clean up existing forms and overlay the typewriter type we see here. The forger was also looking for certificates with the correct stamped dates and that is why I think they used more than one original form. At first I wondered why the forger didn't just typeset the entire form from scratch and overlay the type and not have to worry about the parallax problem. Then I remembered that in the early 1960s there was no phototypesetting and this form was set in hot metal from a linotype machine. The type design I think is Times Roman but they could never replicate the exact design. They were stuck having to use existing forms that were scanned in using binary and grayscale.

2. There is a white haloing around all the type on the form. Figure 5 is an example of this. This effect should not appear on a scanned grayscale image. Figure 6 is a grayscale image scanned in at 240 dpi. You will notice that there is no haloing effect around the type and also the security pattern is seen through the type. Figure 7 is a color image where you can clearly see the security green color through the type and no haloing. Figure 8 shows a Black and White (binary) image of the same type. The important thing to remember is that you cannot have grayscale and binary on the same scan unless the image is a composite. That means that different components of the whole image are made up of smaller parts. Figure 9 is an enlarged version of Figure 6 showing what grayscale letters should look like compared to binary.

The next question would be: What would have caused the haloring effect? We know that all the original Certificates of Live Birth (COLB) were microfilmed because we can see the Nordyke Certificate (see Figure 2) was microfilmed. Then some time after 2004 the paper original copies, in post binder books, were scanned using a commercial document scanner with a flatbed, scanned as grayscale images. The forger was working with two types of images. He/she may have used images printed from the microfilmed copy and then scanned the printout in grayscale. At that point the forger would have to invert the image so as to have a white background, black type. Figure 10 is an example of an inverted image of Figure 2. The result would be like Figure 9 but a whiter background. The image I am working with in Figure 10 is only 94 DPI but the forger was working with much higher resolution (≥ 240 dpi). At that point the forger converted the grayscale to a binary image and placed it onto the background form image. The problem was that there were still image values for the pixels around the placed type so when he/she placed the type image over the background and instructed the program to bring the type “forward” it blanked out the background image, hence the haloring effect around the type.

Figure 10, Inverted image of Figure 2.

3. The Obama Certificate is loaded with both binary and grayscale letters which is just another smoking gun that this form is a forgery. It appears the lines and some of the boxes were scanned using grayscale, but only some of the form headings were grayscale and sometimes it is only some letters. Figure 11 and Figure 4 give one example. You will notice that the *H* and, *al*, in Hospital, *I* in Institution, *If* and again the *h* and *l* in hospital were grayscale images, but the rest of the line is binary. The typewriter line below was scanned in as a binary image. I can also tell you for certainty

that the form type was scanned in at a lower resolution (≤ 200 dpi). This is because of the size of the pixels on the letters were such that the openings on the *a* and *s* on the first line are not visible and filled in. This may also further indicate that forger took some of the type images from the microfilmed copies.

Figure 11. showing a mixture of grayscale and binary type on the same line.

Another example is found in form box 1a, his name *BARACK* for some reason the “R” is a grayscale image and the rest is binary (see Figure 13). That means the “R” was originally on the form and the rest was not until it was added.

The question again is: Why did the forger leave some grayscale type images on the form and not just erase the whole form? The answer is that he/she needed the grayscale images to re-establish the baseline of the type for the superimposed binary type. This also told me that the forger was an experienced graphic artist.

Figure 13. Another example of grayscale and binary on the same line.

Figure 14. The last “1” is grayscale, but the rest are binary.

Another example is the Certificate number itself (see Figure 14). The last “1” on the form is a grayscale image but the rest of the numbers are not. It also has a different baseline. This is just another example of a cut and paste job. It also means we do not know what the real Certificate number is if there even is one. There are other form boxes that display the same feature, boxes: 5b, 7e, 11, 13, 16, 18a.

4. The Sequential Number is a fraud. I would like you to refer back to Figures 1 and 2. You will notice that Barack Obama was supposed to have been born on Friday at 7:24 p.m. August 4, 1961 and the local registrar supposedly accepted it on Tuesday August 8, 1961 and hand stamped the Certificate number “61 10641.” Then notice that the other Certificate of Susan E. Nordyke was born on Saturday at 2:12 p.m. August 5, 1961 and another registrar date stamped it on August 11, but her Certificate number is “61 10637.” Susan Nordyke was a twin and her sister’s Certificate number is 61 10638. Keep in mind there would be only one Bates stamp machine in the office so the numbers would all be unique. There cannot be any duplicates so every Certificate has a unique serial number.

Obama's Certificate would have most likely been mailed on the following Monday, the 7th and received by the Clerk Tuesday the 8th. Susan Nordyke and her sister's Certificates looks like they were mailed sometime earlier that week and not accepted until the 11th but Susan has a Certificate four numbers less than Obama's. It is impossible to have Obama's Certificate number to be four numbers higher than a Certificate that came in three days later.

As stated in #3 the last "1" on the form is a grayscale image but the rest of the numbers are not (see Figure 14). You will also notice that the baseline of the last "1" is straight and level but the rest of the numbers are slanted. This is again irrefutable proof that the Certificate number is a composite of two numbers and hence a forgery. This forgery comes under a separate offense and carries with it 5-years in prison [see Appendix D: Title 19, Ch.47, Sec, 1028(d)(1)].

The facts I have shown you in #3 and 4 tell me several things about how this forgery was assembled. 1. Some person(s) in the Health Department, who had access to the document imaging program, searched the database for someone close to the actual birth date of Obama and found someone near the 4th of August, if in fact he was born on the 4th and we should not assume that at all. Obama may have chosen the 4th of August because they had a baby who died close to his date of birth. The clerk may have cross referenced the death database to find someone who had died and had a birth date close to Obama's. It has been reported that an infant girl named Virginia Sunahara was born on August 4, 1961 at Wahiawa Hospital in Wahiawa, Oahu, HI who died on August 5, 1961 at the Kapiolani Women and Children's Medical Center, due to complications. This happens to coincide with the date of birth and birthplace of the Nordyke twins. We could make two assumptions here. 1. Wahiawa Hospital customarily would have completed the COLB form and mailed it to the County Health Department; and 2. Kapiolani Medical Center would have filled out the death certificate. The other less likely scenario could be that her medical records were transferred to Kapiolani Hospital and they would produce the birth certificate and later the death certificate which was later included in the group of birth certificates that contained the Nordyke twins.

The Federal Government wanted the States to cross reference the birth and death databases so the database would have that information. The date stamps have two different colors and sizes (see #5 below) which indicates that both dates came from different Certificates. We can conclude from this that more than one person was involved in the Hawaii Department of Health in assembling the different components that were used: 1. Someone to conduct the database searches to find the right Certificates to create the fraudulent Certificate of Live Birth; and 2. Someone who signed or stamped the fraudulent certificate. I believe that after all the components were assembled they were then given to a graphic artist to actually assemble the whole thing and create the finished forgery. That graphic artist could be located anywhere. In short this was a multi-state conspiracy to defraud the United States.

5. Two different colors in Form box 20, 22 and 17a Date Accepted by Reg. General. What is very revealing about this box and date entry is there are two different colors on both lines where there should be no color at all. Both lines were scanned using binary mode, but I see two different colors (see Figure 15). What I think this shows us is that the person who put this fraud together was looking for a form that had the right date namely "August 8 19 1." As you can see the only things that are printed in dark green (R=71, G=92, B=73) are "Date A" and "AUG -8 6." The rest of the type is in black. This tells me that the forger was working in color mode and what they copied from had a color value for some reason unless they put a color value on it.

Figure 15. Two different colors, dark green and black.

The same thing is found in form box 20 “Date Accepted by Local Reg.” Figure 16 again shows that the date has two different colors. The “AUG -8 196” is in dark green (R=87, G=111, B=87) and the “1” is in black. Yet again another irrefutable proof this form is a forgery. Form box 17a displays the same two color image in the word “None”. The “Non” is in dark green.

Figure 16. Another example of two colors on the same line.

6. The official seal is not part of the Certificate of Live Birth and they used the wrong size impression of a seal. The Hawaiian law (Section 11-1-2 Seal of the Department of Health) states:

- a) The official seal of the department of health shall be circular in shape, **two and one-fourth inches in diameter**. At the curve on the top portion there shall be the words “DEPARTMENT OF HEALTH” and at the curve on the bottom portion there shall be the words “STATE OF HAWAII.” At the curve on each side portion shall be a star. In the center of the seal shall be the Caduceus, a winged rod entwined with two serpents, which has long been recognized as a universal symbol of medicine. The Caduceus shall be encircled by an indentation, which shall separate it from the words “DEPARTMENT OF HEALTH” and “STATE OF HAWAII.”

(Figure 19 is courtesy of Kevin Powell; <http://www.pixelpatriot.blogspot.com>)

The first Certification of Live Birth Obama the candidate produced in June of 2008 was the “Short Form” of the COLB. It had the Department of Health’s seal embossed on it (see Figure 17) appearing on it about 1.8” from the bottom of the 11 inch paper. That told me the Health Department is using an electric embosser, which applies ample pressure to leave a clear visible embossment. Hand seal embossers have only 7/8” or less from the edge of the paper for a 1 3/4” seal. The Health Department seal does not appear obvious on the Obama COLB. A good embossment will distort the type and lines on a form and is clearly visible (see Figure 21). Even on the Nordyke Certificate (see Figure 18) in spite of it being an inverted image from a microfilmed image, it is clearly seen. Figure

19 shows Obama’s seal on the COLB presented on April 27, 2011, and is visible only because a color filter was used to see it, otherwise it completely disappears in the design of the security paper (see Figure 20).

Figure 21: Hand stamped seal from an original COLB from 1962.

The official seal on the Obama COLB is a second or even third generation image from another form. The seal embossing did not distort the lines or type on the form and it most likely was never part of his Certificate. We cannot make out any of the type on the seal as well as the two stars and the Caduceus. The distorted background image of a seal can be created using Photoshop or Illustrator by applying it as a watermark. Yet another indication this Certificate of Live Birth is an obvious forgery.

If that wasn’t enough I then investigated the size of the latent seal image on the Obama certificate and found it to measure only about 1¾” in diameter. The procedure I used to discover the seal measurements were as follows: With the Savannah Guthrie photo (see Figure A) of the document I was able to see the left and right hand sides of the document and knew that was 8½” wide. I was then able to determine the scale of all the components on the form. I then measured the line length on the second line from the bottom. Box 20, 21 and 22 rest on. That length is 6.396” long, measured from the first bold vertical line on the left side of the form to the end of the line (see Figure 22). I then adjusted all the images I had for Certificates including non-Obama Certificates, which I had. What I found was that the alleged embossed seal on the Obama COLB were all 1¾” in diameter and that is not the legal seal as described by Hawaii state law, which should be 2¼”. The administration has the wrong size seal on their certificate and that seal was supposed to be a first generation full size imprint.

Figure 22. The COLB Obama presented on 4/27/11 from the PDF file on the White House web site. The seal measured only 1-7/8” in diameter.

I then examined Certificates of other individuals that I found on the internet. Figure 23 is of a Certification short form of Patricia Decosta dated 2002 and it is also 1¾”. As stated in the Hawaii state code, it must be 2.25” in diameter. The current Department of Health seal is not the same one they had in the 1960s. That one was 2¼” in diameter (see Figure 18) but the current seal is not legal—it’s the wrong size and the type is not legible! You cannot make out any of the words, the stars or the Caduceus. I will be notifying the Department of Health of their gross error in the hope

they will fit it with a new legal seal. Some time after 1966 the original legal seal was “lost” or stolen because they do not wear out. Some bureaucrat ordered a replacement and was either ignorant of the law or too stupid to ask if there was a specific requirement for the seal. What mystifies me is that the Director of the Department of Health and the registrars did not spot the error and fix it. My conclusion is they just didn’t care about the law.

Figure 23. The Certification of Patricia Decosta dated 2002.

7. The hand stamped certification from the current registrar is a forged stamped notice.

The Department of Health has the right to produce a legal copy of the original Certificate of Live Birth for people who have the appropriate right to receive one. The Clerk in the office would search the document imaging database and retrieve the correct Certificate. The Clerk would then print out the tiff image on the green security paper. They would then take a rubber stamp that states the following: I CERTIFY THIS IS A TRUE COPY OR ABSTRACT OF THE RECORD ON FILE IN THE HAWAII STATE DEPARTMENT OF HEALTH. Then below this notice would be the likeness of the State Registrar’s signature, in this case it was Alvin T. Onaka, Ph.D. Then the clerk would stamp the date to the left of the certification. See Figure 24 for a Certificate done one month before the Obama’s April 25, 2011 Certificate. Please note that since it is a hand stamp the certificate stamp is skewed up on the right side.

Figure 24. Registrar stamp on a persons Certificate done March 2011.

Now let us look at Obama’s Certificate (see Figure 25) supposedly done on Aril 25, 2011. Notice the registrar’s rubber stamp has an error on the word “the” which reads “TXE,” but this error does not show up on the same rubber stamp used one month before. In Figure 26 you will see an enlargement of the word. You will notice that the “X” had been created by the graphic artist by filling in pixels so it appears like an “X” but it really is not. Also notice that the whole stamp is too straight on the form. The red lines drawn under two of the lines of type are aligned with the pixels. The stamp rises only two pixels over 3”. My conclusion is that the whole stamp was placed there by the graphic artist to look as straight as possible. The only problem is that no hand stamped notice like this would be placed that perfect on the page.

Figure 25. Obama's Registrar stamp with the errors on it,

Figure 26. Enlargement of the "TXE."

Other investigators have mentioned what looks like an italic "E" under the capital "A" in Alvin. In Figure 24 the same artifact does not appear. This artifact also does not show up on the Savannah Guthrie photo but does appear on all the other copies and PDFs the White House displayed. We have to assume either the artifact was already on the security image the forger used, and forgot to erase it, or it was placed there deliberately for some reason that we don't know yet.

8. Forged signatures of the Mother and Registrar. Forgery of a signature occurs in three ways. The old methods were someone would practice signing another's signature until they got good at it. Another was to simply trace the signature from a previously known signature. The new way is to find a signature and scan it into a computer. Then place that signature, or parts of a signature, onto the desired form or check. The signature of the mother, *Ann Dunham Obama* in Box 18a is made up of two images. The "Ann D" is in grayscale and the rest of her name is a binary image. The signature of the registrar *U"K"L Lee* is also made up of the same image types. The "K" really looks like "IL" and the *I* is a binary image and the rest of his name is grayscale. That means the *I* was added in another layer. Both errors can be seen included in Figure 27. Irrefutable proof the Obama Certificate is a forgery.

9. Multiple layers in the PDF file from the White House. I am not the first one to find this fact and they deserve the credit for discovering it. What they discovered is that when you open up the PDF file in Adobe Illustrator and you turn on layers, you see a long list of nine different layers that correspond to different sections of the form, including the signatures on the form. Figure 27 shows the layer that contains most of the typewriter and form text.

I discovered using just my Adobe Acrobat 8 Standard that I could also see the different components disappear when I enlarged the image to just 400% and used the "hand" tool to quickly move around the image. When I moved the image fast, the various type components would disappear from the form but the lines stayed just as I had concluded.

I also opened up the White House PDF file in WordPad so I could see the codes and headers in the file. There I discovered the evidence for the nine layers embedded in the code (see below). The big surprise I discovered was that the file was finished or created on April 27, 2011 at 12:09 pm and the copy I had downloaded from the White House web site was modified on April 28, 2011 at 9:58 am, the day after the news conference. The whole White House story that the President had his Seattle-based lawyer fly to Hawaii and pick up two signed and stamped paper Certificates of Live Birth and fly directly to Washington DC, is obviously not the document the public has been shown. In other words the whole story may not true. I checked the cost for UPS to ship the documents next day and delivery by 8:30 am Tuesday and it was only \$84.00. I checked the cost for a lawyer to fly last minute from Seattle to Hawaii then to Washington DC it is thousands of dollars. Their story is just not believable.

The PDF file indicates the PDF "CreatorTool" was *Preview* which is an Apple product that is just like Adobe's Acrobat Standard, which is a viewer and print driver. It is not a photo and image design program. It is just the program that created the PDF file (as a print driver). The Preview program can

also read twenty-six different image and document types, that includes Adobe Illustrator and Photoshop.

Defenders of the Administration’s argument that the layers were created by an OCR program (Optical Character Recognition) are also ridiculously wrong because the PDF file is not a searchable PDF therefore no OCR process was performed and additionally no text object was found within the PDF file I examined.

The discovery of nine layers in the PDF image didn’t matter for my analysis 1 through 7 because I was able to export the image as a TIFF (18.35 MB) out of that PDF using my Adobe Standard software. So I was working from a flattened image and was able to find all that I did, in other words the layers were irrelevant to me but was just further proof that the Obama’s Certificate of Live Birth is a forgery.

Figure 27: The layer that contains most of the forms text and typewriter text.

I have received other White House PDF files from Graphic artists around the country. As a result I received a PDF Certificate that was put up on the White House web site no more than 10 minutes after it was uploaded. That PDF showed nine layers, no OCR (see Figure 28), Image file created at 7:50 am on the 27th (see Figure 29) and finally the PDF file created using *Preview* (the print driver) and modified on 4/27/11 at 12:09 p.m., which is similar to my file. My conclusion is that this shows the individuals in the White House were “fixing” or changing this forgery as late as 7:50 a.m., an hour before the pre-news conference.

Figure 28. Shows 9 layers and no OCR.

Figure 29. Created 7:50 AM

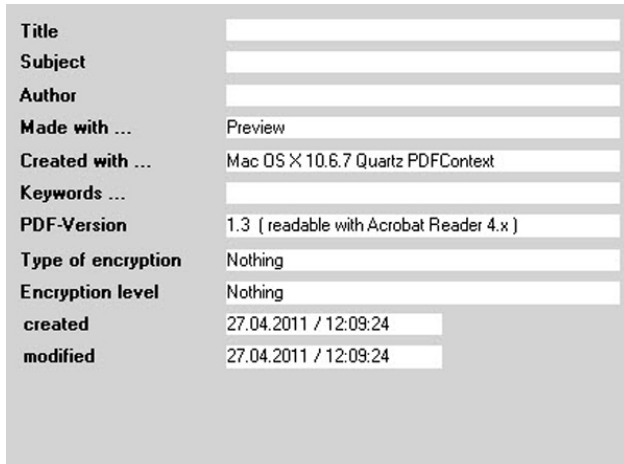

Figure 30. PDF modified 4/27/11 @ 12:09 am.

A Rebuttal to the Discovery of the Multi Layers Found in the PDF File.

To begin with the White House PDF was not a searchable PDF therefore no OCR process was performed on the image and therefore the following rebuttal and defense of Obama’s COLB is irrelevant and a very poor attempt at defending this blatant forgery.

The only rebuttal to the nine layers discovered in the PDF file released by the White House was a statement from Canadian graphic artists from Quebec by the name of Jean-Claude Tremblay on April 29. It was reported by Fox News and on their web site at:

<http://www.foxnews.com/politics/2011/04/29/expert-says-obamas-birth-certificate-legit/>.

He tries to excuse the multi-layers as merely an artifact of an OCR (Optical Character Recognition) engine and then saved as a PDF. There are three major reasons he is wrong and I know from his statement he knows nothing about OCR engines and how they work and their file structure. First the White House PDF file is not a searchable PDF and no text object could be found in the PDF file. Second, the Obama PDF certificate was supposed to have come directly from the Health Departments office. As stated before, the records they have would have absolutely no reason to be OCR'd and if they were asked to give the customer a PDF image it would be from their existing TIFF image stored in their document imaging program on the server. The program would have done no OCR processing at that time.

The third reason is the lack of OCR files in the PDF file. My qualifications on OCR programs are considerable. Our own document imaging program, TheRepository, has an OCR option from Expervision that is called TypeReader. We integrated TypeReader into our program but to do this we had to sign a non-disclosure statement with them and then we got their Took Kit and API. When an OCR program saves a file as a searchable PDF, the file contains three main files within it. The first file is an image file, usually a compressed Group4 TIFF. The second file is an ASCII text file and the last file is a matrix file that contains the X and Y coordinates of all the words in the document. The starting point for the image file and the matrix file is usually the upper left hand corner of the image measured in pixels. The text file and matrix files would never be seen as separate layers and there are certainly not nine layers. The three files would be in a PDF "wrapper" and that is all. All OCR programs work on the same principle.

Conclusion

The Certificate of Live Birth Obama presented on television on April 27, 2011 is a forgery.

The American Typewriter

How a Young Computer Graphics Person Could Not Understand How to Use a Computer to Forge a Typewritten Document.

It's been some 30 years since we have used typewriters to produce documents. Computers have replaced the typewriter and given us great advantages in document preparation. There is no need to understand the old typewriter. Except when you need to forge a typewritten document.

A computer in the hands of a young person who can create a modern forgery is no match for the old style quirky mechanical typewriter. The forger who produced the Obama Hawaiian Long Form Health Department Birth Certificate may have thought that all typewriter typeface styles were alike. To get his letters he should have assumed that he needed only to match typewritten letters found in the old files of Hawaii birth certificates to scan ... copy and paste into his new document. Those old files should be all alike having been used to produce birth certificates in the 1961 era.

He must have understood that he needed to copy the old typewriter styles and would find them in the files.

But understanding scanners ... he also had to know that scanning a letter "t" one time and using it all over his document would be conviction assured. Because scan lines engage a letter differently every time it's done. So he scanned a bunch of old birth certificates and used a different "t" each time.

The mistake was that many of the letters in the old files were from different typewriter styles and that's something he did not realize ... resulting in many typewritten letters on his forgery that did not match each other.

I hope this helps to explain what might have happened with this document.

Every typewriter typed character is assigned a number in the order it is found in the document.

EVIDENCE OF FORGERY

The two capital letters “A”s are from the word “BARACK” on the birth certificate found at section 8 of the form. There is only one letter between them. Why then is #144 significantly bigger than #146 if the same type-writer key struck both?

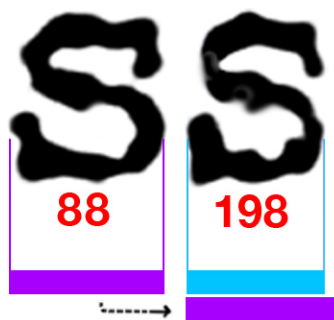

Notice the other differences seen in the same word from different locations on the birth certificate. All the letters look different. Why?

The two capital letters “R” are from the same word “BARACK” as above and the other word “BARACK” in section 1 of the form. Why then is #3 significantly shorter and wider than #145 if the same typewriter key struck both? Note also the enclosed area in #145 is smaller than the enclosed area in #3 even though #145 is taller.

The two lower case letters “s” from the word “Hospital” in section 6c and “University” in section 12b are shown to be different because of the width of the letters. The lower case “s” #88 is wider than the lower case “s” in #198 as shown with the green and purple color bars shown under the letters.

The two numbers “2” are from “7:24” in section 5b and section 10 of the form. Why then is #40 significantly wider than #168? Notice also the difference in height of #168. Can you imagine how these two typewritten letters were typed with the same typewriter?

The two lower case letters “a” from the word “Male” found in section 2 and the word “Kapiolani” found in section 6c. Notice that the first “a” #23 is not as wide as #56. Also note the differences of the shape of the enclosed areas and the serifs at the top left of both.

The two lower case letters “i” from the word “University” in section 12b and “Kapiolani” in section 6c are shown to be different because of the dots over the letters. The dot in #199 is higher than that of #58 and shows more space over the letter. Also note the color bars indicating the difference in width between the letters.

The two capital letters “S” are from “HUSSEIN” in section 8 and “STANLEY” in section 13 of the form. Why then is #151 significantly more narrow than #201? Notice also the serif differences indicated with the arrows showing that the serif on #151 is placed further back to the left on the “S” than as shown on #201.

The two lower case “n” letters are different in size. #62 found in section 6c is much shorter than #193 found in section 12b. This is a good place to insert a photo of a typewriter key to remind us that the impression is struck by an engraved letter that is steel and incapable of changing size.

The two lower case letters “e” #25 from the word “Male” found in section 2 and the word “Maternity” found in section 6c show us that #25 is from a different design of type style with a tilting horizontal bar and #25 is also bigger in size.

The two lower case letters “u” from the word “Honolulu” #101 from section 6a and “Oahu” #105 from section 6b are shown to be different in width as indicated with the color bars above the letters. Also note the different design of the bottom part of the letters.

The two numbers “1” from the date “1961” #35 from section 5a and “18 Wichita” #225 from section 15 are shown to be different in width as indicated with the color bars below the letters. Also note the different design of the bottom part of the letters.

The Word “Student” found in section 12a of the birth certificate was the first problem I noticed because it was one word with two variations of the letter “t” and was clearly a different drawing of the letter mainly displaying a different extension at the bottoms of those letters. As a typographer I could see no reason for a

different style of letter within the same word. Other examples on the page seem to suggest that perhaps the form was transferred to different departments to fill out different sections ... but that could not happen with one word. Later study showed that too many of the letters on the birth cert. did not match each other ... even for many typist.

**If all the letters are from the same
typewriter ... why don't
they match? It appears that it
was put together with letters from
different sources
and this means it's a forgery!**

Dear Orly:

The affidavit is enclosed.

God bless you and speed your excellent work!

Charles R. Coombs

Affidavit

My name is Charles Ralph Coombs. I am 71 years old and working as a semi-retired entrepreneur. I currently reside at 1730 Valley View Lane, Apartment 1093, Irving, Texas 75061.

I have been working as an electronic typesetter in conjunction with every job I've held since 1980. I am currently using a desktop publisher to create and typeset all the information needed to start and advertise a business. Between 1976 and 1980, I sold typewriters for Olivetti Corporation. I acquired detailed knowledge of typewriters of the type I was selling and those of our competitors. Some of the typewriters I sold were to a degree self-correcting, and comparing them with competing brands gave me a detailed knowledge of the kind of errors typewriters and typists make and how to compare outputs from different machines.

Based on my professional knowledge and experience, I believe that the document presented as an electronic copy of the birth certificate of "Barak Hussein Obama" is a forgery.

By examination of the document, I find the following typographical inconsistencies:

1. There is a variation in size between two impressions of the same character. This is not possible in a document prepared on a standard (type basket) typewriter.
2. Spacing between letters is inconsistent. This is not possible in a document prepared on type-basket typewriter.
3. Some letter pairs are kerned: They are moved closer together to avoid white space between certain letter pairs in a desktop publisher. This is not possible in a document prepared on a standard, fixed-font typewriter. Some IBM typewriters featured a 1/2-point "pseudo kerning" feature, but the use of this was a laborious process and there is no evidence of the original document's having been produced on such a high-end, expensive machine.
4. There are typeface (character shape) mismatches in repeated occurrences of the same character. This is not possible in a document prepared on a type basket typewriter.
5. Only one instance of one character is slanted. Slanting occurred when a typist struck two keys at once, forcing them together. The slanting would occur as a consequence of the typist's forcibly returning the keys to their normal position. This, however, causes a permanent defect in all subsequent occurrences of this character that does not occur in this document. It cannot therefore have come from the typewriter used to create the original document.
6. Some characters appear above or below the baseline. This is possible with this kind of typewriter, but at the least would indicate that the document was removed and replaced: Simply moving rolling the platen up or down would not affect the line spacing to this degree.

I declare to the best of my knowledge and belief that the information herein is true, correct and complete.

AFFIDAVIT

I, the undersigned, being first duly sworn, do hereby state under oath and under penalty of perjury that the facts are true:

1. I am over the age of 18 and am a resident of Arizona. The information contained in this affidavit is based upon my own personal knowledge and, if called as a witness, could testify competently thereto. I am the duly elected Sheriff of Maricopa County, Arizona, and I have been a law enforcement officer and official, in both state and federal government, for 51 years.
2. In August of last year, a group of citizens from the Surprise Arizona Tea Party organization met with me in my office and presented a petition signed by approximately 250 residents of Maricopa County, asking if I would investigate the controversy surrounding President Barrack Obama’s birth certificate authenticity and his eligibility to serve as the President of the United States.
3. This group expressed its concern that, up until that point, no law enforcement agency in the country had ever gone on record indicating that they had either looked into this or that they were willing to do so, citing lack of resources and jurisdictional challenges.
4. The Maricopa County Sheriff’s Office is in a rather unique position. Under the Arizona Constitution and Arizona Revised Statutes, as the elected Sheriff of Maricopa County, I have the authority to request the aid of the volunteer posse, located in the county, to assist me in the execution of my duties. Having organized a volunteer posse of approximately 3,000 members, I, as the Sheriff of the Maricopa County Sheriff’s Office, can authorize an investigation go forward to answer these questions at virtually no expense to the tax payer.
5. The Cold Case posse agreed to undertake the investigation requested by the 250 citizens of Maricopa County. This posse consists of former police officers and attorneys who have worked investigating the controversy surrounding Barack Obama. The investigation mainly focused on the electronic document that was

presented as President Obama's long form birth certificate to the American people and to citizens of Maricopa County by the White House on April 27, 2011.

6. The investigation led to a closer examination of the procedures regarding the registration of births at the Hawaii Department of Health and various statements made by Hawaii government officials regarding the Obama birth controversy over the last five years.
7. Upon close examination of the evidence, it is my belief that forgery and fraud was likely committed in key identity documents including President Obama's long-form birth certificate, his Selective Service Registration card, and his Social Security number.
8. My investigators and I believe that President Obama's long-form birth certificate is a computer-generated document, was manufactured electronically, and that it did not originate in a paper format, as claimed by the White House. Most importantly, the "registrar's stamp" in the computer generated document released by the White House and posted on the White House website, may have been imported from another unknown source document. The effect of the stamp not being placed on the document pursuant to state and federal laws means that there is probable cause that the document is a forgery, and therefore, it cannot be used as a verification, legal or otherwise, of the date, place or circumstances of Barack Obama's birth.
9. The Cold Case Posse law enforcement investigation into Barack Obama's birth certificate and his eligibility to be president is on-going. The on-going nature of the investigation is due to additional information that has come to light since we held the press conference in March, 2012. As soon as that information has been properly verified by the Cold Case Posse, I will release that information to the public.

Executed this 12 day of June, 2012, in
Maricopa County, Arizona.

MONTGOMERY BLAIR SIBLEY,

CASE No.:12-cv-1984

PLAINTIFF,

**PLAINTIFF’S EMERGENCY SECOND
MOTION FOR ORDER TO RELEASE
PRIVACY ACT-PROTECTED RECORDS AND
EXPEDITED CONSIDERATION BASED UPON
PRIMA FACIE EVIDENCE OF DESTRUCTION
OF EVIDENCE RELATED TO OBAMA’S
BIRTH**

VS.

YVETTE ALEXANDER, DON R. DINAN AND
WILLIAM LIGHTFOOT,

DEFENDANTS.

_____ /

Plaintiff, Montgomery Blair Sibley (“Sibley”), pursuant to 5 U.S.C. §552a(b)(11), moves this Court for an Expedited Order directing the National Archives Record Administration (“NARA”) to produce and release the original I-9 arrival records described herein which relate to the nationality of Barack Hussein Obama, II, and which NARA has claimed are documents protected by the Privacy Act of 1974 codified at 5 U.S.C. §552a, and (ii) for expedited consideration of this Motion and for grounds in support thereof states:

I. BACKGROUND

Sibley has served subpoenas duces tecum which seeks Mr. Obama’s: (i) Social Security number application, (ii) Selective Service number application, (iii) Passport application, (iv) Harvard Law School and Columbia University admission applications and (v) the originals of the two (2) Certificates of Live Births that he has publicly released. Attorneys have thrown up a number of procedural objections to allowing those records to be released which issues are pending resolution before this Court.

However, one set of records subpoenaed that Mr. Obama’s attorneys failed to block were

those kept by the National Archives Records Administration. The records released pursuant to that subpoena is troubling and raises legitimate concerns about Mr. Obama's past and thus his eligibility to be President under Article II of the Constitution.

Pursuant to a subpoena duces tecum, NARA made available to Sibley the "Arrival Records" for August 1 through August 10, 1961, of all passengers arriving in Honolulu, Hawaii. Sibley sought these records given the date of Obama's birth on his publicly-released Certificate of Live Birth of August 4, 1961 in Hawaii to see if he and/or his Mother arrived during that time-frame. If they did, it would prove that Mr. Obama was not born in the United States and as such is not a U.S. Citizen.

The significance of this "arrival form" evidenced can be seen from the arrival record of a three year old in Honolulu on August 8, 1961, a copy of which is attached hereto as Exhibit "A". That arrival record indicates the citizenship of the child.

What NARA produced on December 13, 2012, were two microfilm spools of the arrival records for July 28 through August 1, 1961 and August 8 through August 12, 1961. Attached hereto as Exhibit "B", is a photograph of the boxes those two microfilm spools are stored in which show the dates the spools cover. Even more significant, the date of "August 1" has been altered. It appears that "white-out" was applied and a new date was written over the original date of "August 7, 1961". Proof of that alteration comes from a photograph of the same box taken six months before on or about March 22, 2012 which reveals the date was originally "August 7, 1961". Thus, indisputably the box has been tampered with – a criminal offense.

Moreover, the microfilm of the July 28 spool ends on August 1, 1961 without the notice of "end of roll" that other microfilm spools evidence. Simply stated, someone appears to have tampered with the documents material to the question of the location of Obama's birth and altered NARA

records to conceal that alteration. The records for August 2 through August 7, 1961 are missing.

Title 5 U.S.C. §552a(b) “Conditions of Disclosure” states: “No agency shall disclose any record which is contained in a system of records by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure of the record would be . . . (11) pursuant to the order of a court of competent jurisdiction.”

Here, the “relevance” under Rule 26(b)(1) of the I-9 arrival records related to the birth of Barack Hussein Obama, II, are manifest as such records will reveal the “evidence of the U.S. nationality” of Barack Hussein Obama, II. That “evidence” will address the seminal question of whether Barack Hussein Obama, II, is indeed a “natural born Citizen” eligible – under Article II, §1, clause 5 of the United States Constitution – to be President. Upon such determination of ineligibility, the Defendants will be legally barred from casting their Twelfth Amendment votes for Barack Hussein Obama, II.

WHEREFORE, Plaintiff respectfully requests an order from this Court pursuant to 5 U.S.C. §552a(b)(11) directing the National Archives Record Administration to produce and release the original I-9 arrival records described herein. Given the evidence of tampering, Plaintiff respectfully requests expedited resolution of this Motion.

RULE 12.I(A) STATEMENT

The undersigned has consulted with Defendants’ counsel who has indicated that he **does/does not** oppose the relief requested herein.

RE: FOIA Case No. 2013-IGFP-00406

Dear Dr. Taitz:

This responds to your May 30 Freedom of Information Act (FOIA) request to the U.S. Postal Service Office of Inspector General (OIG) for records concerning the evidence you provided this agency regarding the alleged use of a fabricated U.S. Postal Service stamp by the President of the United States of America.

A search of the OIG Office of Investigations and Hotline databases located two pages of documents responsive to your request. I determined one page is appropriate for release without excision; copy enclosed. Also enclosed is the remaining page that is appropriate for release with excisions made pursuant to FOIA Exemption (7)(C), 5 U.S.C. § 552(b)(7)(C), which permits the withholding of records or information compiled for law enforcement purposes, the release of which could constitute an unwarranted invasion of the personal privacy of third parties. This information is not appropriate for discretionary release.

Because we referred your complaint to the U.S. Postal Inspection Service, you may wish to contact that agency. You can contact them via e-mail at FOIA@uspis.gov; via telephone at 202-268-7004; or by correspondence to:

U.S. Postal Inspection Service
475 L'Enfant Plaza SW, Room 3521

1. Petitioner Attorney Orly Taitz requests under freedom of information act 5 U.S.C. 552 any and all documents, showing how did the U.S. Attorneys' office/Department of Justice obtain bank account information of civil rights attorney Orly Taitz.

Attorney Orly Taitz (Hereinafter Taitz) is a Civil Rights Attorney, and she represented pro bono a number of plaintiffs, among them members of the U.S. military seeking production of the original IDs of Barack Obama in light of the fact that sworn affidavits of licensed investigators showed his

IDs to be flagrant forgeries and Social Security used by him to be fraudulently obtained. One of such cases was Rhodes v MacDonald 4:09-CV-106 Middle District of GA.

Federal Judge Clay D. Land attempted to intimidate Attorney Taitz and send a message to other attorneys not to question Obama's forgeries by assessing sanctions against Taitz.

Without any evidentiary hearing and any motion to produce bank information, US Attorneys' office/Department of Justice contacted two banks where Taitz banked and advised them that she owes money to USA and the accounts can be liened. As a result Taitz was embarrassed in front of employees of two banks, where she banked. Her credit rating went down immediately and her credit line was cut by about 70% immediately. At the same time the Department of Justice advised Taitz that if she does not pay \$20,000 immediately, Department of Justice will place a lien on her house and will sell her house to cover the lien.

Under FOIA 5 USC 552 Taitz demands any and all documents showing where did the Department of Justice/U.S. Attorneys' office obtain her bank account information.

2. In May of 2009 Attorney Taitz filed a Quo Warranto requests with the Attorney General Eric Holder (see attached). For a period of four years she did not receive any response. Taitz is seeking any and all documentation generated in response to her Quo Warranto request.

3. In the beginning of 2011 Attorney Taitz reported to the US Attorneys' office that Court Reporter for the Eastern District of PA, US District Court and for the Eastern District of PA and Third Circuit Court of Appeals that Court Reporter for the U.S. District Court for the Eastern District of PA, Donna M. Anders, falsified an official court transcript and removed 14 pages out of the certified court transcript of a motion hearing held on 12.20.2010 before Judge Eduardo Robreno. Anders removed the whole cross examination of a party done by Attorney Taitz. When Anders was confronted by Taitz with a demand for explanation, she tried to claim that pages were missing due to scanner problems. The explanation was not valid, as with scanner problems one would see one or two pages missing and would see a word or a sentence being cut, incomplete at the end of the page. In the case of the falsification of the transcript by Anders, she has done it intentionally, as she neatly arranged the examination of the next

witness in the middle of the page right after the direct examination of the prior witness, as if cross examination was never done. Such forgery/falsification of the court transcript benefitted an opposing attorney Berg, as in the cross examination a party to the action admitted that the allegations made in the case, were not made by her but were made up in the law office of Attorney Berg.

Taitz did not receive any response since the beginning of 2011, for two and a half years. If Anders could falsify the transcript in Taitz case, she could do it in other cases and cause immeasurable damage to numerous innocent individuals.

Taitz hereby requests any and all documentation showing any and all actions taken in response to her complaint.

Specifically, Taitz is seeking information, whether

- a. Anders is still employed as a court reporter in the Eastern District of Pennsylvania.
- b. Any and all documentation of an investigation of the matter and any and all discipline

- c. Any and all documentation showing, whether the matter was forwarded to the criminal department for criminal prosecution
- d. Any and all information, whether Ander was ordered or told by any high ranking official to falsify the official court transcript
- e. Any and all information, whether Anders received any incentive, any compensation for falsification of the official court transcript.

4. In December 2013 U.S. Attorneys' office made an appearance in case *Grinols et al v Electoral college, U.S. Congress et al* 12-cv-02997 US District Court for the Eastern District of California and stated to the presiding judge Hon Morrison C. England that the U.S. Attorneys' Office /Department of Justice represents the U.S. Congress and seeks to oppose the emergency injunction and seeks to dismiss the case. The main portion of the case dealt with evidence showing that Barack Obama used a stolen/fraudulently obtained CT Social Security number 042-68-4425 of Harrison J. Bounel, born in 1890 and presumed to be deceased and used forged birth certificate and Selective Service certificate as a basis of his identity and eligibility to the U.S. Presidency. Plaintiffs sought injunctive and declaratory relief

Later in March of 2013 Attorney Taitz, who represented the Plaintiffs travelled to Washington DC and attended the CPAC convention, where multiple members of the U.S. Congress advised her that the Department of Justice did not notify them that they are being represented in this case, did not forward to them any pleadings and documentation and it appears that the Department of Justice went behind the back of the members of the U.S. Congress and defrauded them and defrauded the court by seeking to dismiss the case on behalf of the U.S. Congress.

Petitioner Taitz is seeking under FOIA 5USC 552 any and all documentation showing that U.S. Attorneys for the Eastern District of California, Benjamin Wagner and Ed Olsen or Attorney General Holder or any other employee of the Department of Justice advised members of the U.S. Congress about the representation in this case and forwarded to the members of the U.S. Congress the pleadings and documents submitted in this case on their behalf.

Petitioner Taitz is requesting a response within a customary 20 day period for FOIA return

Re: Request a Special Assistant for the United States to relate Quo Warranto on Barack Hussein Obama, I to Test His Title to President before the Supreme Court

Relators: Major General Carroll Childers, Ret; Lt. Col Dr. David Earl-Graef; Navy and Police officer Mr. James James; Lt. Scott Easterling, currently serving in Iraq; Major James Cannon, US Marine Corps, Ret; New Hampshire State Representative Mr. Timothy Comerford; Tennessee State Representative Mr. Frank Nicely, State of Alabama 2008 electoral college elector Mr. Robert Cusanelli
Request information for Quo Warranto on Barack Hussein Obama, II, testing his title to President per attached relation. Relators include:

Robert Cusanelli, Elector for 7th District, State of Alabama, in the 2008 Electoral College;

Frank Nicely, State Representative of Tennessee in his official capacity;

Timothy Comerford, State Representative of New Hampshire in his official capacity;

Major General Carroll Childers, 29th Infantry Div VA retired, lifetime subject to recall; Numerous Accolades;

LTJG Scott R. Easterling OD LG US Army on active duty in Iraq;

David James, Sergeant Long Beach Police Officer & CDR/0-5 US Navy (Active Reserve). Numerous accolades, including two National defense medals, two Navy commendation medals

Dr. David Earl-Graef, Lieutenant Colonel Air Force MC, Military Surgeon- Active Reserve. Numerous accolades including Air Force outstanding unit with valor.

James Cannon Major US Marine Corps, Ret, lifetime subject to recall. Numerous awards, including Bronze Star with combat V and two Purple Hearts

Relators' suit of office grants standing. Relators are affected by actions of Respondent Obama and the results of the Quo Warranto, and thus have interest above citizens.

Information on Quo Warranto against a Federal Officer is normally related to the Attorney General to sue on behalf of the United States in U.S. District court of the District of Columbia per DC Code 16-102. However, the Attorney General defends the office of President and is appointed by the President. Hence, Attorney General to bring Quo Warranto on the President raises an intrinsic conflict of interest. (28 USC 517) Historically, a Special Prosecutor or Independent Counsel was appointed to eliminate self-conflicts of interest, e.g., Attorney General Elliot Richardson appointed Archibald Cox as the Watergate Special Prosecutor over issues touching on President Nixon.

The information on Quo Warranto includes action between the United States ex rel. and the State of Hawaii over original birth records of Barack H. Obama II being withheld per Hawaii's privacy laws. Hawaii's action obstructs the constitutional duties of election officers to validate or evaluate President Barack Obama qualifications to become President under U.S. CONST. art II - 1 and Amend. XX - 3.

Re: President Elect Respondent Obama failed to submit prima facie evidence of his qualifications before January 20, 2009. Election officers failed to challenge, validate or evaluate his qualifications. Relators demand that as President Elect Respondent Obama failed qualify per U.S. CONST. Amend. XX - 3.

Such negligence and misprision threaten to nullify these essential safeguards. Thus Relators request this Quo Warranto be related to the Supreme Court under its original jurisdiction.

Enclosed is a summary motion for leave to file Quo Warranto on Barack Hussein Obama II aka Barry Soetoro, with the Supreme Court. The list of Questions Presented is attached. A full brief supporting this motion is in preparation.

- 1) Relators respectfully pray that the Attorney General recuse himself over bringing this Quo Warranto for the United States on Barack H. Obama II, by reason of intrinsic conflict of interest.
- 2) Relators pray the Attorney General appoint a Special Assistant (prosecutor) of Archibald Cox's reputation and expertise, to relate this Quo Warranto to the Supreme Court per 28 USC 543.
- 3) Relators request that their attorney, Orly Taitz, ESQ DDS, assist in relating this Quo Warranto, being recognized at bar before the Supreme Court.
- 4) Relators further request the assistance of Patrick Fitzgerald, United States Attorney General for the Northern District of Illinois, as having familiarity with issues involving Barack H. Obama II while Senator from Illinois and as President Elect.
- 5) Relators request guidance from the Attorney General, within one week of receipt of this information, regarding his decision on whether to appoint such a Special Assistant.

With respect, in absence of such guidance, Relators will proceed to request leave from the Supreme Court to relate information for this Quo Warranto on Mr. Obama to test his title.

Re: AG/13-03876 (P)

Dear Ms. Taitz:

We have received your letter dated May 29, 2013, requesting records generated in response to your Quo Warranto complaint to the Attorney General and any evidence that the documents were ever mailed to you. Your request was forwarded here by the FOIA/PA Mail Referral Unit, Justice Management Division, and was received by this Office on July 15, 2013. This response is made on behalf of the Office of the Attorney General.

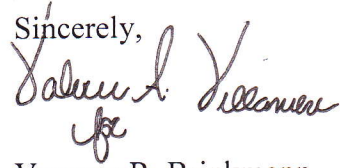

Your request has been directed to the Office of Information Policy (OIP) of the United States Department of Justice, which processes Freedom of Information Act (FOIA) and Privacy Act (PA) requests for records it maintains as well as records maintained by the Offices of the Attorney General, Deputy Attorney General, Associate Attorney General, Public Affairs, Legislative Affairs, and Legal Policy. OIP also adjudicates administrative appeals of denials of FOIA/PA requests made to the Department. This Office maintains the case files for the initial requests and administrative appeals it processes. For your information, neither this Office nor any of these senior leadership offices of the Department typically maintains records on individuals and, as such would not maintain the type of records you are seeking. Nonetheless, we have conducted a search of the Departmental Executive Secretariat, which is the official records repository for the Office of the Attorney General, and no records subject to the FOIA to the subject of your request were located.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through this Office's eFOIA portal at: <http://www.justice.gov/oip/efoia-portal.html>. Your appeal must be received within sixty days from the date of this letter.

If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in cursive script, appearing to read "Vanessa R. Brinkmann".

Dear Dr. Tailz:

This is in response to your Freedom of Information Act (FOIA) request dated July 8, 2013 and received in this office on July 12, 2013.

In your request you sought information and documents relating to actions taken by the Selective Service System (SSS) to prosecute President Obama for use of an allegedly forged/fabricated SSS registration certificate [form]. This included requesting documents showing whether former Selective Service Director William Chatfield or current Director Lawrence Romo filed a criminal complaint against President Obama for the alleged fraudulent registration form, and whether they filed a complaint with various law enforcement organizations and committees in the U.S. House of Representatives. We note that you provided a courtesy copy of the document which you had dispatched to the U.S. Attorney General.

We have conducted a thorough search of our files and were unable to locate any records responsive to your request. There are no responsive records because SSS never filed a complaint against President Obama with any organization.

If you consider this response to be a denial of your request under 43 CFR 2.28(a)(2), you may file an appeal by writing to:

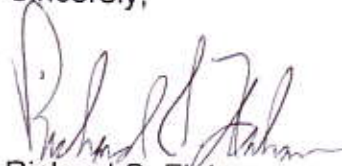

Mr. Edward T. Allard, Deputy Director
Office of the Director
Selective Service System
1515 Wilson Blvd, 6th Floor
Arlington, VA 22209-2425

Your appeal must be received no later than 30 workdays after the date of this letter. It should be accompanied with any information you have which leads you to believe that responsive records do in fact exist, including where they might be found.

Dear Dr. Taitz:

This is in response to your Freedom of Information Act Request, dated July 7, 2013, seeking access to records from the Treasury Inspector General for Tax Administration (TIGTA). Specifically, you are seeking:

- A. Barack Hussein Obama's tax returns, which he originally posted on whitehouse.gov without "flattening the file" which showed him using a Connecticut Social security number 042-68-4425, which failed both E-verify and SSNVS.

This represents the most serious crime in the history of the United States: a criminal using a stolen Social Security number as a proof of his identity to usurp the U.S. Presidency. This matter had to be investigated and prosecuted immediately.

- a. Any and all documents relating to my 05.15.2013 complaint showing whether the Inspector General of the Department of Treasury filed a criminal complaint against Barack Hussein[sic] Obama for his use of a stolen Connecticut Social Security number 042-68-4425
- b. If criminal complaint was not filed, any and all information, showing why a criminal complaint was not filed by the Inspector General of the U.S. Treasury against Barack Hussein Obama in light of his use of a stolen Social Security number 042-68-4426, which failed both E-Verify and SSNVS
- c. Any and all documentation showing whether there was any external pressure from Obama administration, from Barack Obama himself, Michelle Obama, Valerie Jarrett, Eric Holder or others on the commissioner of Social Security or Inspector General of the Treasury not to file a criminal complaint in regards to Barak[sic] Hussein Obama's use of a stolen Social Security number
- d. Any and all documentation showing whether Inspector General forwarded to the U.S House of Representatives Oversight Committee or Judicial Committee a report showing Barack Hussein Obama using a stolen Connecticut Social security number 042-68-4425 in his tax returns

- B. The second part of the complaint relates to the intimidation and harassment by the IRS Attorney Mitzi Torri.
- a. [You are] specifically requesting information and any and all documentation showing whether Ms. Torri was relieved of her duties as an attorney for the IRS.
 - b. A time card for Ms. Torri, showing whether she indicated that she was not at work in her office at IRS on 05.11.2011, but instead was in court at the hearing where attorney Taitz appeared and later appeared on the radio show on RCR radio reporting to Obama supporters about this court hearing.
 - c. Did IRS pay Ms. Torri for 05.11.2011 day as a work day.
 - d. As stated in the complaint and shown on exhibit 2 forwarded to the Investigator Yolanda Walker, Ms. Torri has joined an attack website "Fogbow" on January 24, 2009, right after inauguration of Barack Obama. The web site[sic] is dedicated to the attacks on civil right attorneys and civil rights leaders who are political opponents of Obama. Most of the attacks are against Attorney Orly Taitz due to the evidence presented by Taitz in court. The site is run by several attorneys, who use pseudonyms, among them Attorney for IRS Mitzi Torri, who uses pseudonym "Butterfly Bilderberg", as well as Attorney for Barack Obama and Democratic Party Scott J. Tepper (hereinafter Tepper) using a pseudonym "Sterngard Friege." Tepper also works as a part time investigator and also used his position in order to try unsuccessfully to attack law license of Taitz. IRS Attorney Mitzi Torri posted on Fogbow on January 30, 2011 at 10:09 am a clear threat to Attorney Taitz and her supporters "My agency allows me to work under a pseudonym for personal safety reasons. If Orly (meaning Orly Taitz) publishes my identity and employment info, she and her followers will be visited by men in suits. Arriving in vehicles with dark glasses. With badges in their wallets. It won't be a social call either."

In reference to this statement by the IRS attorney [you are] requesting the following information and documentation:

- a. Does IRS allow Torri to work under pseudonym for personal safety reasons, and if so, was the work by Torri, using a pseudonym "Butterfly Bilderberg" and other pseudonyms on fogbow, posting hundreds of defamatory statements about Civil Rights Attorney and political dissident Orly Taitz, work sanctioned by the IRS. If so, who sanctioned this "work"? How much in taxpayer funds was paid to attorney Torri to attack civil rights leaders, while hiding behind a pseudonym?
- b. In May of 2010 "Fogbow" had a convention in Phoenix Arizona. According to some of the members this convention was paid for George Soros[sic]. George Soros runs several non-profit organizations such as "Moveon.org", media matters, "Open Society". [You are] requesting any and all documentation, whether IRS allowed as a tax deductible expense or charitable expense any donations given by George Soros or any of his organizations to "Fogbow", RCR radio, Mitzi Torri, Scott J. Tepper, Richard Rockwell, William (Bill) Bryan (Bryan is

- one of the founders of fogbow, formerly an attorney in CA, who resigned after multiple suspensions and who is currently a flower shop owner in NC).
- c. Further, Fogbow, where Toni is one of the main contributors[sic], published highly offensive pornographic paintings of Civil rights attorney Taitz by Painter Dan Lacey. Lacey stated that he was paid by George Soros see video at link <http://faithmouse.blogspot.com/2010/07/orly-taitz-birther-pancakes-puppet.html>. Paintings were commissioned and released while Taitz ran for office in CA. Paintings were pornographic, highly inappropriate paintings of Taitz, which were posted in local papers in CA, as well as sent to children. There was no legitimate purpose for those paintings, aside from a purpose of harassment, intimidation and placing in false light. [You] request any and all information whether IRS considered as a tax deductible[sic] charitable contribution any donations by George Soros or any of his not for profit organizations or by any other entities[sic] to Painter Dan Lacey. [You] demand to know, whether IRS under Obama administration considers donations to attack organizations or to painters creating pornographic paintings to be a recognized and justified tax deductible[sic] expense?
